INTRODUCTION

As we enter the Christmas season our hearts are once again invited to see the wonderful story of redemption from its humble beginnings, through the prophets’ expansion, and on to it’s guarantee in the birth of the Savior. Over the four weeks of Advent we will trace the glorious promise of God, and be reminded how privileged we are to be the recipients of His glorious grace and faithful love.

God’s Design: vs. 2:18-25

Satan’s Deception: vs. 3:1-7

Sin’s Damage: vs. 3:8-13

God’s Deliverance: vs. 3:14-19

“I will put enmity between you and the woman, and between your offspring and her offspring; He shall bruise your head, and you shall bruise His heel.” Genesis 3:15
MONDAY  |  GENESIS 2:18-25
How is the creation of man different from the rest of the world God created? What did God mean when He said that it was not good for man to be alone? Why was it not good? What does it mean to have a helper “suitable” for him? How does this passage speak to the broader Christian understanding of marriage?

TUESDAY  |  GENESIS 3:1-7
What was the first thing the serpent questioned? Why is this important? How does Satan still operate with the same motives today? How important is it to take God at His word? What was the problem with the way Eve responded? What was the problem with the way Adam responded? In what way does the text say Eve was enticed? How is that similar to the way we are enticed by sin? How can we grow in our ability to resist sin?

WEDNESDAY  |  GENESIS 3:8-13
What does Adam and Eve’s hiding themselves from God signify? Why did God ask them a question? Did God lack knowledge in this moment? What do we learn from Adam and Eve’s response? Do they take ownership for their sin? How do we fall into the same routine? Do you have people in your life who are willing to sensitively confront your sin and call you to holiness? Do you have a soft heart to receive godly criticism?

THURSDAY  |  GENESIS 3:14-19
What do we learn about God’s position on sin from the curses He set forth? How should this passage inform our hearts when we think about the difficulty of work and childbearing? God did not leave man and woman without hope. What hope does God provide in verse 15? Why is this hope significant?

FRIDAY  |  PRAY
Reflect on some of the questions from this week. Ask the Lord to help you grow in any areas where you might be struggling. Pray for a heart that depends on and trusts in the counsel of God’s word. Pray that God would keep the enemy away from you. Pray for someone you know who needs to hear about God’s promise to redeem mankind. Ask the Lord for opportunities to share God’s redemption story this week.
