

Anchoring your soul every day

Caring for Others Sacrificially

We know it can be so hard to find time each day to take care of your relationship with the Lord. We want to make it easier for you, if we can. We suggest taking one of these thoughts at a time, or even just do part of one, when you can. We hope this will help you experience the hope of your relationship with Jesus as your soul's anchor every day.

- ❖ Read Mark 10:42-45. (If you have a little more time, start reading at verse 35.)
What was the example of care Jesus set for His followers?

What typically hinders people from serving others? What gets in the way for you?

- ❖ Read 1 Thessalonians 2:1-8. How does what Paul communicates here about his heart for the people of Thessalonica mirror Christ's heart?

What would your children learn about Jesus by watching you caring for others in the church in some way?

- ❖ Read Romans 12:3-8. How does a proper understanding of our own value and the worth of others in the body help motivate our service?

What is the benefit to the church when everyone cares for each other?

What does a caring church communicate to the watching world who don't yet know Jesus?

Spend time in prayer, thanking God for the church. Thank Him for the people He has put into our lives who can encourage us to love Jesus more and put Him on display through our lives well. Ask Him to show you how you can care for others in the body. Ask Him to help you model care for others to your children so that they will grow to be men and women who love others because they love Jesus.
