Students need not come to school during their lunch period. If they need to, they should report to the Dining Hall.

All classes will meet on the above schedule. All classes will have exams. No exceptions. Students are to be in regular uniform and are required stay in the classroom the entire 1:40 so tell them to bring something to study or read or have a project for them to tackle. (Except for the last exam on Thursday, then we'll allow students who have finished their exams to go home after they have stayed a minimum of 1 hour. Those not finished in an hour may stay as originally scheduled.) Teachers, if you need some help with some odd monitoring problems, please let us know.

- ***Please complete and verify all grades in gradebook.***
- ***Please deliver to the main office all student copies of the semester exams and a copy of the grading key as well. If you use Scantron forms, we especially need a key and one sample exam.***
- ***Make-up exam date is Friday, December 16.***
