

JOIN HOME & SCHOOL YOUR SBA PARENT CONNECTION

Mission Statement

The St. Benedict at Auburndale Home and School Association is a support organization. We provide service through volunteer efforts for many events that greatly enhance the positive atmosphere at SBA. Our primary goal is to foster family involvement and provide a sense of cooperation between home and school.

We do not fundraise, but do request a **\$40 per family donation** to take care of all the special activities that the Home & School helps to support. These events include, but are not limited to, the faculty appreciation luncheon, faculty Christmas gifts, Honor Society and Junior Ring Ceremony receptions, parent meetings, used uniform sale, and special class activities such as tailgate nights and senior class events. A portion of your donation is also placed in each class treasury.

-Please make your check payable to: SBA
