Important To Know...

The Tennessee Secondary School Athletic Association (TSSAA)

St. Benedict is a long time member and complies with the by-laws and regulations of the TSSAA. Any student-athlete enrolled at SBA, who meets the various academic and athletic requirements as set forth by SBA and the TSSAA, may try out for any interscholastic sport.

8th Grade Students who currently participate in a high school sport

If any incoming freshmen has participated on a high school team at any level as an eighth grader or maintains an athletic record at the previous school, please notify the Athletic Office at the time of enrollment.

Transfer Students

If any incoming 10th, 11th, or 12th grade student-athlete participated on any high school athletic team at their previous school, please notify the Athletic Office at the time of enrollment.

Sports Physicals (Required)

Any student participating in Athletics at SBA is required to have a TSSAA Physical Form and Permission Form on file in the Athletic Office before the first day of school. All forms can be found on our website at www.sbaeagles.org. SBA will now hosting a physical day on May 15 from 3:30-6:00pm. ***Please note that Physical Day at SBA is MANDATORY for all returning student-athletes.*** This is a FREE physical evaluation.

Participation Fee

All sports require a participation fee to be paid once the team's roster has been set. The fees include **\$100** to participate in a sport, **\$50** to participate in a second sport, and **FREE** to participate in a third sport.

The St. Benedict Athletic Program is committed to the highest level of competition. Our athletes understand the value of a competitive spirit and winning attitude, coupled with sportsmanship, character, and class. The coaching staff at SBA is committed to preparing student-athletes for life and to be Godly examples on and off the field. We want to be enthusiastic and intentional in everything we do. Our coaches understand that success is not given, but rather earned, and we are committed to many off-season programs that involve strength and conditioning, speed and agility, flexibility, and performance based training and nutrition.
