

POP-TAB palooza

Collecting Pop Tabs for Ronald McDonald House Charities® of Memphis supports families and children in need, and helps keep the environment clean at the same time!

Why Pop Tabs?

Aluminum cans are valuable, but the Pop Tabs are made of a more pure, higher-grade aluminum. It is cleaner to collect Pop Tabs, and also takes up less space.

Community Friendly

Anyone and everyone can join in this effort! Collecting Pop Tabs appeals to all ages, and is a great way to bring your community group, company, club, school, church, neighborhood, or family together.

How did the program start?

Ronald McDonald House of Memphis began collecting Pop Tabs in the summer of 2000. Thanks to local recycling centers, we are able to recycle the Pop Tabs in exchange for money.

Where does the money go?

Money raised through Pop Tab Palooza goes directly into our yearly operating budget and allows us to continue providing a “home-away-from-home” to St. Jude families free of charge.

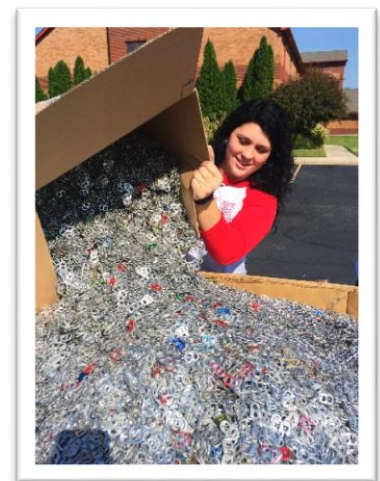

How can I collect and return Pop Tabs to Ronald McDonald House® of Memphis?

Create a collection container using bags, coffee cans, or shoe boxes. At the end of your Pop Tab drive, bring your collection to RMHC Memphis Oct. 27th for the Annual Pop Tab Palooza. If you are unable to attend the event simply bring your tabs to RMHC Memphis and we'll recycle them for you or you can take your collection to a local recycling center and send us the money you receive. It's that easy! And remember, every little bit helps!

Please join us at our Pop Tab Palooza Weigh-In Challenge on a Friday, October 27, 2017, 10am-5pm at Ronald McDonald House of Memphis!

To register, contact poptabpalooza@rmhc-memphis.org
We will have a convenient drive-thru drop-off, and awards for the most pounds of Pop Tabs collected!
