

We the staff and deacons would like to make an amendment to our by laws concerning our business meetings:

“We propose that the business meeting be changed from a monthly meeting on Wednesday nights at 6:00 p.m. to a quarterly meeting on Sunday nights at 6:00 p.m.”

This amendment is being proposed in light of the fact that we are barely meeting our minimum attendance required for a business session (50) and also it is an attempt to get more of our church involved in the decisions of the church.

There will be a discussion of this amendment at the regularly scheduled business meeting on February 19 with the vote coming during the morning service on February 23.
