

THE SANDESTIN
HOTEL

SANDESTIN DEVELOPMENT INFORMATION

In fall of 2018, Sandestin Investments, LLC celebrated the beginning of construction for the new 250-room full-service hotel and conference center, The Sandestin Hotel. This new property will be located adjacent to the Baytowne Conference Center at Sandestin Golf and Beach Resort. Completion of the hotel is slated for April 2020.

The new full-service hotel will include a three-meal restaurant, a lobby bar, room service, a luxury spa, a fitness facility, a signature rooftop pool and bar allowing Sandestin Golf and Beach Resort to better meet the needs of the leisure traveler as well as expand group business. The Sandestin Hotel will include 20,000+ square feet of meeting space and feature a 13,000-square foot ballroom, all contiguous to the 30,000+ square feet of existing meeting space at Baytowne Conference Center. Additionally, guests of the hotel will have access to the many amenities offered by Sandestin Golf and Beach Resort including more than seven miles of beaches and bayfront, four championship golf courses, 15 world-class tennis courts and a 113 slip marina.

CONVENTION PARKING CHANGES DUE TO CONSTRUCTION

The Sandestin Hotel project has altered the footprint for arrival and parking around the Baytowne Conference Center and the Grand Sandestin. The entire team at Sandestin is committed to ensuring that our guests are not significantly inconvenienced as our progress on this new property continues. We kindly ask that you take the below into consideration when planning your 2019 conference visit to Sandestin:

We highly recommend that you consider booking units in the Grand Complex or Village of Baytowne Wharf early for ease of convenience, as these units are in walking distance to the Baytowne Conference Center and offer underground and garage parking for guests.

If you choose accommodations away from the conference center, there are (2) parking lots located within walking distance of the Baytowne Conference Center. The Meetings & Special Events team will be providing dedicated transportation services from these satellite parking lots, to help deliver meeting attendees from their vehicles to the conference center. We encourage conference attendees to allow for extra time prior to each event to find parking and either walk or ride in to the conference center.

When visiting the Village of Baytowne Wharf in your leisure time, we recommend using Sandestin's on-property resort transportation. There are (3) routes that offer service from stops conveniently located all throughout the property and accommodations neighborhoods.
