Volunteer Opportunities

Member clubs/organizations receive credit toward meeting room space for volunteer work performed by their individual members at the Memphis Botanic Garden.

How does this work?

- ❖ Every 4-hour volunteer shift will be credited to that individual's Garden Club or organization for \$20 toward room rental.
- ❖ Volunteer work may be done outside on the grounds or inside the building.

Outside work may be done in a specific garden, as general maintenance on the grounds and beds, or assisting with an Education Department program.

Inside work involves preparing materials for classes or programs, tending to plants inside the building, or general office work.

- ❖ Volunteer work for special events, such as Plant Sales, Mother's Day, etc., will NOT be considered for credit.
- ❖ In order for Garden work to be credited to the organization, the volunteer must sign the ORGANIZATION PAGE in the volunteer book, in addition to that volunteer's individual page.
