

## Math Interventionist

### Opportunity:

This is a unique opportunity to join a high-performing organization that does whatever it takes to prepare students for college success. Capstone Education Group (CEG) leads Cornerstone Prep and Lester Prep schools, which serve urban students in under resourced neighborhoods in Memphis. CEG schools perform among the best schools in their district, the ASD. In 2015-16, Lester Prep was the highest performing school in the Achievement School District as measured by student growth on a national assessment. In 2017, Lester Prep earned a TVAAS 5 in every subject, the only school in the district to do so. In 2018, Cornerstone Prep Lester Campus was the highest performing school in the ASD in both math and science. CEG seeks a strong math interventionist to support the work of the math department in grades 3-8.

### Mission:

Capstone Education Group equips all students with the Wisdom and Knowledge necessary to succeed in college and to become leaders in their community.

### Nature of the Work:

Work under the direction of the Director of Academic Achievement to carry out the lessons designed as interventions for targeted students struggling with Common Core State Standards in Mathematics.

### Job Expectations:

- Provide instruction and intervention strategies to all students, including those in Tier 2 and Tier 3.
- Implement effective instruction during re-teach and learning labs academic blocks
- Works with school administrators, support personnel, colleagues and parents to ensure that students meet academic standards in math on Exit Tickets, SWYK assessment and interim tests
- Monitor ongoing academic progress and make instructional decisions based on available data.
- Attend and actively participate in scheduled staff development, data meetings, and weekly planning meetings.
- Attend and participate in RTI, IEP, and/or Child Study team meetings as necessary to provide information regarding Title I student's core academic needs.
- Communicate regularly and effectively with administrators, Director of Academic Achievement and classroom teachers regarding student growth and needs
- Interact in a professional manner with students and parents.

### Qualifications:

- Degree in education and/or teaching certification preferred, experience teaching required
- Belief that there is not a more urgent task than to provide an outstanding education to students from urban backgrounds
- An unwavering conviction that all students can achieve at high levels
- Commitment to do whatever it takes to prepare all students for college success
- Track record of producing dramatic, demonstrable student achievement gains
- Entrepreneurial spirit, passion and energy
- Ability to work well in a team of high-performers
- Goal-driven, self-reflective and analytical problem solver

### Capstone Education Group:

- Capstone Education Group leads three neighborhood charter schools: Cornerstone Prep Denver Campus (prek-5), Cornerstone Prep Lester Campus (prek-5) and Lester Prep (6-8).

- Capstone Education Group's Vision: CEG equips all students with the Wisdom and Knowledge necessary to succeed in college and to become leaders in their community.
