

Volunteer Opportunities

We are honored to partner with volunteers and donors who serve children in the Binghampton and Frayser communities. Please consider how you can support this important work.

Lester Campus 320 Carpenter Street

Adopt a class: Class sponsors serve a specific classroom (Pre-K – 8th grade) all year. This volunteer communicates directly with the teacher to find out specific needs and helps fill those needs as they arise. This could range from helping celebrate birthdays for the month to reading to the class to preparing supplies. Volunteers also provide encouragement to the teacher. **M-F, 8 a.m. – 3 p.m.**

Copies: This is a huge help! Making copies frees up teachers to use time for lesson planning. Volunteers select a time that fits their schedule. **M-F, 7 a.m. – 4 p.m.**

Office aide: Volunteers are needed to serve in the office with filing, laminating, and distributing materials to teachers. This is a great support to both office staff and teaching staff. **M-F, 8 a.m. – 3 p.m.**

Breakfast and lunch support: We can use volunteers every day to help monitor students at breakfast and lunch and with distributing meals to all 700 students efficiently. This is incredibly helpful and a way to interact with and get to know students. **M-F, 7- 7:30 a.m. and between 10 a.m. - 12:00 p.m.**

One-time events: There are several events when volunteers are needed. Events include helping children transition to dental exams, well child exams, and picture day. Volunteers are needed to proctor testing days in August, November and May. Field Day in May also requires a large number of volunteers. Quarterly, volunteers are needed to prepare report cards and other materials to be sent home. Let us know and we'll add your name to a contact list.

Help with school sports: Volunteer to support coaches or the athletic director in carrying out school sporting events as needed and/or with sport clubs consistently. Various days and times after school.
