*RE: Schedule 40 / 80 PVC Fittings*

To Whom It May Concern:

This is to certify that the items manufactured by **LASCO Fittings, Inc.** listed below meet or exceed all the material and workmanship requirements of the indicated industry and governmental standards where compliance's are in accordance to ASTM Plastic Fittings Standards, Volume 8.04, Section 8, NSF/ANSI Standard 61, Annex G: Weighted average lead content of  $\leq 0.25\%$  and is in compliance with California's Health & Safety Code Section 116875 (commonly known as AB1953), and NSF Standard 14 (which references NSF/ANSI Standard 61, Annex G) as primary and noted cross references.

Furthermore, as an official representative for **LASCO Fittings, Inc.**, I certify that where physical and/or chemical test requirements are part of the specifications, **LASCO Fittings, Inc.** has performed these tests to substantiate this certification.

I further certify that fittings manufactured by **LASCO Fittings, Inc.** are molded in the United States. LASCO Fittings are fully ARRA Compliant. This letter does not cover the white and gray unions in the catalogs, which are not domestically produced.
