

# LASCO<sup>®</sup> Fittings, Inc.

the innovator of manufactured  
swing joints for the irrigation industry.

Brass, Malleable,  
or PVC Nipple

Quick Coupler Valve

1" Brass Insert  
90° ELL Outlet

LASCO 1" Unitized  
Swing Joint

Add extra support  
by placing Rebar  
in special lugs

\*LASCO recommends the use of a U-bolt to secure the quick coupler valve to the rebar(s).
