

LASCO POOL SWEEP ELBOWS

LASCO'S POOL SWEEP ELBOWS HAVE BEEN ENGINEERED FOR OPTIMAL FLOW PERFORMANCE

LASCO POOL SWEEP FEATURES:

- The LASCO Sweeps exceed requirements of California Title 24 Code
- Sweep Elbows reduce pressure drop
- Socket dimensions meet Sch40 ASTM D 2466
- LASCO Sweep Elbows have been computer engineered through Computational Fluid Dynamics (CFD) studies for optimum material placement and performance.
- Burst Tested to SCH 40 standards for each size

APPLICATIONS:

Pool / Spa
