Frequently Asked Questions about Childcare

1. The hourly rate charged is based on how many children you have in childcare on a particular day, not on how many children you have enrolled in the school. (Account charges are made by the half-hour of service; rounding up to the next half hour as determined by check-in and check-out records for each child.)
2. **Late pickup charge:** If a child is picked up after 6:00 pm, the family will be charged \$1.00/minute for each child.
3. Childcare begins on the first day of school. Care is provided for children enrolled in our school on all days when school is in session. **Vacation & Holiday Childcare may be provided by Baton Rouge Lutheran School on some days that students are not required to attend classes.** These days may include Teacher In-Service Days, Parent-Teacher Conference Days (October and May), any partial days when BRLS dismisses early (other than emergency school closings), as well as additional school holidays determined by federal or state holidays, or the BRLS school year schedule. BRLS families will receive notification when childcare is available as well as applicable fees and rules.
4. Breakfast and lunch are not provided. However, children may bring a light, nutritious breakfast and eat it during morning childcare. They may also bring a lunch from home or purchase hot lunch from the school (see applicable rules for purchasing lunch). Per the Family Handbook, no fast food, candy, or carbonated or caffeinated beverages are allowed.
5. Preschool and Prekindergarten afternoon childcare includes a rest period. **A special, washable resting mat must be purchased from BRLS.**
6. After School Childcare includes organized activities and free play. For students with homework, study hall is available Monday through Thursday from 3:50 - 4:50 pm.
7. A statement that will include any childcare charges will be e-mailed to your family on the first day of each month. (A printed statement will be provided to families without e-mail addresses.) Childcare bills are due within 10 days. Payment is considered late 10 days after the first day of the month. A late-payment fee will be charged and the child(ren) will not be allowed to attend childcare until full payment is made.

*****While we anticipate the listed rates will remain in effect for the 2018-2019 school year, all rates and discounts are subject to review and change with the approval of the school board. If an adjustment is deemed necessary, reasonable notice will be provided to all affected parties.***
