

Trinity Lutheran Preschool

Date: 7/15/18

Re: Trinity Lutheran Church Voter's Report

Prepared by: Abigail Iron Rope, Director of Early Childhood Ministries

The staff, children and families of Trinity Lutheran Preschool thank you, our congregation members for your continued support through prayer and resources.

Join us in praising God for the many blessings of our early childhood ministry at Trinity:

- Trinity Oaks Preschool and Trinity Lutheran Child Development Center have been combined into one center effective 7/16/18 with our new licensed name Trinity Lutheran Church and School DBA Trinity Lutheran Preschool.
- Trinity Lutheran Preschool is fully licensed in our permanent location with 120 child capacity.
- Current enrollment 44 = Infants – 7, Toddlers – 12, Twos – 15, Threes/Fours – 10
- 7 full time teachers, 1-part time teacher, 2 substitutes,
 - Preschool Director – Jordan Cozzi
 - Preschool Supervisor – Brooke Simon
- Ms. Andrea Watson serves as our PreK teacher and Curriculum Coordinator; she begins her colloquy program in October and, once complete, will be a rostered Lutheran School Teacher and eligible to receive a call to Trinity.
- We are combining with BRLS to create one Education Advisory Committee. We have recruited some congregation members to serve in this capacity and are happy to add more. If you would like to serve, please contact Abigail Iron Rope or Harmon Butler.
- We are currently awaiting our new curriculum, Frog Street Press. This curriculum is approved by the Louisiana Department of Education as a high quality early childhood curriculum.
- We are continuing the use of our religious curriculum, One in Christ.
- In August 2018, we will begin using the Ages and Stages Assessment Tool for all children enrolled at Trinity Lutheran Preschool.

We praise God for all He is doing to share the love of Christ with the Baton Rouge and surrounding communities through Trinity Lutheran Preschool. Join us in praying that more children and families will join our program!
