

Bangor Christian Schools Parent Portal Information

Bangor Christian Schools is pleased to offer two new features to your Powerschool Parent Portal Access.

The first is called **Single Sign On**. By creating a new single sign-on account you will be able to do the following:

- Access multiple students (for whom you have parental/guardian rights to) with one sign in by linking any and all students to your account
- Set email and notification preferences for each student
- Create your own personalized account with your own username and password
- Retrieve your account sign in information by using the auto-recovery tool

The second new feature is a **Parent Portal Mobile App**. If you have an iPad, iPod or iPhone you will be able to check your student's grades on the go. Also, if you have a Blackberry or Android device you can connect to the parent portal with a browser, and it will launch specialized mobile pages for you to access your student's info. More info will be made available regarding the Mobile App – this document will focus on single sign on.

A. Creating your personalized, Single Sign On account

1. Navigate to the Parent Portal Account page – <https://bcs.powerschool.com>
2. Click on the **Create Account** link at the bottom
