

# Peanut & Tree Nut Free Table 2016-2017

We are providing a peanut/tree nut free table in the lunch room this year for students with peanut/tree nut allergies. This will provide a safer environment for these students. The students will be able to choose someone to eat with them if they have no food containing peanuts/tree nuts or peanut/tree nut products. **If you choose not to have your student eat at the peanut/tree nut free table, please complete this form** and return it to Bangor Christian Schools by August 15<sup>th</sup>, 2016.

Thank you,

Martha Boone  
Principal

1476 BROADWAY · BANGOR, MAINE 04401

Dear Parent/Guardian,

Included in this packet are health forms which need to be completed and returned to the school by **August 15<sup>th</sup>, 2016.**

These forms ensure we're able to treat your child in an emergency, be aware of health issues, provide medications if necessary, be aware of their allergies which maybe life threatening, etc. As a parent/guardian, you already know the impact of this information to protect your child and as a caregiver for your child while they're at school, we need that information to provide optimum care.

In order to protect and provide care for your child, we are requiring that you complete **ALL** the enclosed health forms and return them to the school no later than **August 15<sup>th</sup>, 2016.**

We appreciate your cooperation concerning this issue.

Lois Cole  
School Nurse
