

Bangor Christian Schools Volunteer Guidelines

- 1.) All BCS volunteers must have a background check completed. Prospective volunteers should get the appropriate form from the church business office, complete the form, and return it for processing.**
- 2.) Generally, volunteers should work under the supervision of a school employee. This would include in the classroom, lunch room, playground, and field trips.**
- 3.) Volunteers may work with smaller groups of children away from the regular classroom provided the space is in a “public” location (e.g. library, gymnasium, hallway, classroom).**
- 4.) Volunteers should never administer any form of discipline. This is the responsibility of school employees only.**
- 5.) For field trips, please make sure that all volunteer drivers leave a copy of their driver’s license and insurance card in the office along with their cell phone number.**
