Fall 2013

Author and speaker Jay Myers is a veteran entrepreneur who shares inspiring stories and practical tips based on growing his technology business from \$11- to \$25-million during the Great Recession. Jay's message as detailed in his second book, *Hitting the Curveballs: How Crisis Can Strengthen and Grow Your Business*, reveals creative, practical strategies to achieve business success in difficult times.

A Dynamic Speaker with a Compelling Business Message

Jay Myers shares uniquely personal business stories that deliver compelling, practical tips for overcoming huge obstacles and growing sales and profits. His message resonates with entrepreneurs, CEOs and management level leaders within an organization. Jay is accepting speaking engagements for business associations, economic development organizations, colleges and universities.

Named to Inc. Magazine's CEO READ Best Seller's List

Jay Myers' first book, *Keep Swinging*, earned Jay the Ethan Award for entrepreneurial authorship.

A devastating case of

corporate embezzlement nearly took Jay's company under. *Keep Swinging* reveals the gut-wrenching process of rebuilding that set the stage for exponential growth at Interactive Solutions Inc. Available now at your favorite bookstore or online.
