

Mission Trip Scholarship Application
Hope Church
2015/2016

Scholarship Policy:

- Scholarships are awarded as part of the final payment toward the trip.
- Scholarships cannot be received as cash or given directly to an individual. Payment will be paid to the sponsoring organization on your behalf.
- Scholarships are not redeemable for a future trip.

Additionally, eligible participants applying for the scholarship must first demonstrate a willingness to participate in team and personal fundraising.

There are limited needs-based scholarships available. If you have limited resources, we would encourage you to apply by completing this Scholarship Application. Scholarship decisions will be based on the information provided on the application, funds available, and the amount of personal support raised.

All applicants are expected to participate in all fundraising opportunities.

Complete the following application: Provide information, as you feel comfortable. Our goal is not to intrude on anyone's personal lives, but rather to disburse the limited funding that is available in the most equitable manner. The more information you provide, the easier our funding decision will be.

Seal your application in an envelope and mail it to:
