**Campus:** (1) Any building or property owned or controlled by any institution within the same reasonable contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls; and (2) any building or property that is within or reasonably contiguous to the area identified in (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes.

**On Campus- Residential Facilities:** Dormitories or other residential facilities for students on campus.

**Public Property:** All public property, including thoroughfares, streets, sidewalks and parking facilities, that is within the campus or immediately adjacent to and accessible from the campus.

**Non-Campus Building or Property:** (1) Any building or property owned or controlled by a student organization that is officially recognized by the institution; or (2) any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographical area of the institution.

**PLEASE NOTE:** Crimes reported in the residential facilities column are included in the on-campus category.

**\*\* one of the two incidents for this category was proven unfounded through investigation.**
