

## Guest Services

**Completion:** 2012

The guest services building provides Omaha's Henry Doorly Zoo and Aquarium's staff with a more spacious lobby to admit and accommodate its visitors.

Nearby the space, located at the main entrance of the Zoo, are new restrooms, a first aid station, lost and found and an office for the Zoo's safety and security staff.

Guest Services was part of Omaha's Henry Doorly Zoo and Aquarium's Gateway to the Wild Capital Campaign, a \$33 million project geared toward enhancing the visitor's experience. The campaign, Phase I of the Zoo's Master Plan, included the addition and improvement of guest amenities from 13<sup>th</sup> Street to the Zoo's main entrance down to the renovation of the Suzanne and Walter Scott Aquarium.
