

## Ticketing and Redemption Area

**Completion:** 2012

Omaha's Henry Doorly Zoo and Aquarium's ticketing and redemption area features a two separate areas: a location for general admission ticket sales and an express entrance for Zoo members and pre-purchased ticket holders.

Previously, Zoo members checked in at the same locations as general admission members did to purchase and redeem their tickets.

The Ticketing and Redemption Area was part of Omaha's Henry Doorly Zoo and Aquarium's Gateway to the Wild Capital Campaign, a \$33 million project geared toward enhancing the visitor's experience. The campaign, Phase I of the Zoo's Master Plan, included the addition and improvement of guest amenities from 13<sup>th</sup> Street to the Zoo's main entrance down to the renovation of the Suzanne and Walter Scott Aquarium.
