

AquaCamps

2018-2019

When school is out, the Aquarium is in!

Looking for an exciting adventure on days off? Let us help! Each camp can include animal encounters, science experiments, exploration time in the Aquarium, crafts, and if weather permits, time at The Splash Pad.

AquaCamp is designed for children ages 5 to 11 in kindergarten through 5th grade. Camp days run from 9am to 4pm. Morning and afternoon care is included in the cost of camp. Early drop-off starts at 8:00 am and late pick up goes until 5:30 pm.
