Welcome to the Cosby Family

History

You and your Cosby campers are now a part of our history and future. Each year since 1922, parents have found the value in providing a retreat for their camper, a place where a camper can learn, grow and thrive; a place to gain independence, self-confidence and make lasting friendships; a place to challenge themselves, learn who they really are and find comfort in being accepted. Camp Cosby is a place where campers learn "I am Third" and to put the needs of others above their own. This community has shaped lives for almost 100 years and will for over 100 more. Thank you for joining our community and for being a part of the Cosby family.

Executive Director Welcome

Dear Parent,

At Camp Cosby we operate based on a Camper First philosophy and a partnership with parents. Through these views we make decisions that are safe and exciting for each camper that parents approve. We survey our campers and parents each week to learn what they love and what improvements we can make. Just like you we are always growing, moving, changing and continuing to be the very best. As we implement change to provide a great program we also protect our traditions and your camper's experience. We have a great summer experience planned for your camper! YMCA Camp Cosby Staff is committed to providing your camper(s) with a safe, positive, action-packed adventure. Thank you for choosing YMCA Camp Cosby for an experience that will last a lifetime!

Steve Merifield

Executive Director

Preparing for Camp

Bunkmate Request (Cabinmate Requests)

Bunkmate requests are made when a camper is coming to camp with a friend that they would like to stay in their same bunk. Bunkmate requests must be the same gender and generally the same age/grade. Campers can choose up to three bunkmates and Cosby leadership will do their best to honor up to three requests. If the request cannot be honored the parent will receive an e-mail or phone call notice before their arrival to camp.

CamplnTouch, Paperwork and Forms

All Camper forms are available through your CamplnTouch account once your camper is registered. Required forms are due 2 weeks PRIOR to check in to avoid a **late fee of \$35**. Through CamplnTouch, your camper's forms are downloaded for completion and then uploaded directly to your account. This assures that your originals remain in your safekeeping, and the information is safe and secure and tied directly to your camper.

Required forms: **Physical Exam, Health History, Camper Information and Departure for Pick Up** (this form is located in **FAMILY FORMS** at the **BOTTOM** of the Forms section). Please also submit the **Immunization Form** (Health department issued or Physician signed form) and a **copy of your camper's Insurance Card**.

PLEASE NOTE: The **Transportation** form is only required for campers who need airport/bus terminal pick up.

Questions about forms or CamplnTouch? Contact us at cosby@ymcabham.org or 256-268-2007.

***FORMS ARE DUE TWO WEEKS PRIOR TO CHECK IN. THERE IS A \$35 LATE FEE CHARGED FOR FORMS THAT ARE TURNED IN LATE.**

Packing List

YMCA CAMP COSBY: PACKING LIST

Note: Campers will be outdoors the majority of the time. We recommend old clothing appropriate for outdoor play. Clothing will get dirty. Please use discretion in sending new or expensive clothing or shoes.

Labeling

We strongly advise you place your camper's **first and last name** with permanent or waterproof marker on all items brought to camp.

Laundry

Laundry service is provided for campers who stay more than one session. Laundry is washed each stayover weekend. Please be sure that all items are clearly labeled.

What should we bring to camp?!?

Recommended Items (Based on one-week session)

- Fitted Sheet and Sleeping Bag
- Pillow and Pillowcase
- Laundry Bag
- Hat or Cap with brim
- Poncho or rain coat
- Swimsuit
- Pajamas
- 6 T-shirts
- 6 sets of underwear
- 5 pairs of socks
- 2 pairs of old jeans/long pants
- 5 pairs of shorts
- Sturdy sandals
- 2 pairs of tennis shoes
- 1 pair of boots or hard-soled shoes
- Toiletries
- 2 towels
- 2 washcloths

Mini Bikes and Horses

Any camper who is going to try Mini Bikes or Horseback riding needs to bring closed toe shoes and jeans. It is recommended that all campers double check to make sure they have these items.

Blazer and Ranger Campout

On Wednesday each session the Blazers and Rangers have the option to campout and sleep under the stars. It is recommended that they have a sleeping bag for this outing. Many campers also bring a hammock.

Items Not Allowed At Camp Cosby

- Electronics of any kind including, but not limited to: **Cell Phones**, iPods, MP3 Player, iPads, Radios, Computers, etc.
- Fireworks
- Knives of any kind
- Expensive or irreplaceable toys or games
- **Money**
- Illegal drugs, tobacco, alcohol, etc.
- Firearms or weapons of any kind
- Personal sporting equipment
- Expensive or irreplaceable jewelry
- Skates, Bikes or Skateboards
- Pets

*If any of these items are found at camp the item will be confiscated held in the office until the end of the camper's session.

Lost, Stolen or Broken Items

YMCA Camp Cosby is not responsible for lost, stolen or broken items. Please monitor what your child is packing, discuss with them how to properly care for their items and encourage them to keep track of their items.

Lost and Found

We do everything we can to help your camper keep track of his/her belongings. However, despite our best efforts, each summer we are left with quite a bit of unclaimed lost and found items. Please be sure to check the Lost and Found table on check out day. **Items will be held for two weeks after your child's session and then donated to a local charity.** If you believe something is missing please contact us as soon as possible with a full description of the item and we will do our best to locate the item and return it to you. Postage for shipping lost and found items will be billed to your account.

Storage while at Camp

Trunks, suitcases and plastic storage containers are all welcome. Please try to send storage items that will fit under the bed. To fit under the bed containers should be no more than 9 inches.

Waitlist

We make every effort to enroll campers as space is available, but we consider the needs of all campers, staff and capacities and will not exceed enrollment beyond what is safe and what would reduce the quality of the camper experience for all of our campers. We cannot guarantee that your camper will be enrolled in any waitlisted session or program specialty once they are on the waitlist, but this waitlist is monitored closely by our Admissions committee, Camp Registrar and staff.

For more information visit the Dates and Rates page of our website and click "Learn about the Waitlist." If you have questions or concerns, please contact the Camp Cosby office at 256-268-2007 or email cosby@ymcabham.org.

Check In Day

Sunday at 3:00 p.m. Central Standard Time

Many families come as early as 2:00 pm to line up by the gate. Some bring lawn chairs, a picnic lunch and yard games while they wait for the gates to open.

Speedy Check In

Turn in all forms and payments two weeks before your camper's first day of camp to bypass lines in the Dining Hall and be directed straight to your camper's cabin. On check in Day Speedy Check In families receive a green check in slip. Medication – Must be checked in with the Camp Nurse in the Dining Hall before you leave camp. Medications must be in original containers marked clearly with your camper's name and dosage.

1. Upon arrival at camp, you will be greeted by camp staff and volunteers and directed to the parking area.
2. If all of your forms and payment have been completed you will receive a Speedy Check In slip and will get to proceed directly to your camper's cabin.
3. If you have not completed all necessary payment or paperwork you will be directed to the Dining Hall where you will talk with the Camp Registrar about completing the necessary forms and payments. Afterward you will receive your camper's cabin assignment.
4. You will then proceed to your camper's cabin to meet their counselors and help them get settled.
5. Say goodbye. Your camper will have a more successful time transitioning to camp life if your goodbye is short and your camper jumps right into cabin life.
6. Camper medications will all be brought to the camp nurse, located in the Dining Hall, after you've settled your camper into their cabin. No medications may stay in your camper's cabin.
7. Program Operations Director and Executive Director are near the Dining Hall during check in and readily available to answer any questions you may have.
8. Once your camper is settled in, medications submitted, packages dropped off and your questions have been answered you are free to depart.

Medication on Check-In Day

- All camper medications and medical supplies must be check in with the Camp Nurse on check in day.
- All medications and medicines must be brought to camp in original containers.
- Any new medical concerns must be communicated with the Camp Nurses on Check In day.
- Blister Packs: In an effort to update our Health Center practices and assure the best service to your campers we use Blister Packs for each camper who will take medications during their camp stay. A Blister Pack is a container that organizes medications by day/time spaces to be taken according to their prescription regimen. The Blister Pack allows you to fill the exact dosage needed. These will need to be filled in the Dining Hall during check in. Don't worry, we will have a staff member ready to assist you with this process. All medications must be brought in original containers and filled on site during check in.

Planning for Multiple Week Campers

We provide a wonderful Weekend Mini-Camp for weekend stays! Your camper will experience exclusive activity time and a mini session of camp like no other! The cost for a weekend stay is \$120.

NOTE: Please pack enough clothing for more than a week at camp. Laundry service is included for two week stays and will be collected Friday and returned Saturday. **Please place your camper's First and Last Name on all items of clothing with a laundry marker or purchase laundry labels through CamplnTouch!**

Camp Store

Camp Store is included in your tuition. Each camper will get a drink and a snack twice a day while they are at Cosby. Additionally, they will also receive a camp T-shirt and a souvenir. On check in and check out day the Camp Store will be open. Some parents choose to make extra purchases and place them with the camp mail to be delivered during their camper's stay. Please bring cash if you plan to make purchases at the camp store.

Care Packages

Many families like to send their camper care packages while at camp. It can be hard to know what day to send the package to assure that it arrives on time. To help we allow parents to leave care packages in our camp office. Your package must have your camper's first and last name, cabin and day the package should be delivered. Please be mindful that other campers may not receive these, and space is limited so small items and packages are best. Any food items should be non-perishable and individually packaged. Please avoid nuts and any high risk allergen type items. If you would like to provide Cabin Care Packages, use the average of 15 residents (including counselors) per cabin.

To make it even easier you can preorder a **Cosby Care Package** or **Cosby Pro Care Package** that we will assemble with Cosby gear and snacks. This package comes with a special note and is delivered to your camper while they are at camp. These items can be purchased in your CamplnTouch account (**see Forms and Documents->Additional Options**).

- **Cosby Gift Backpack**

A great gift for any camper! Campers will be very excited to know someone special is thinking about them. The Gift Backpack contains Cosby themed nylon backpack, stainless steel water bottle, Cosby sunglasses, 2 small stuffed animals, playing cards, friendship bracelets and two snacks.

- **Cosby Pro Care Package**

Your longtime camper will love this Cosby Pro Care Package! Camp Cosby autograph pillowcase, Cosby Stickers, Cosby Lanyard to hold activity card, activity book, pens, snacks and a gift to share with their whole cabin.

- **Hydration Pack**

Our most popular store item is now available for pre-order! Order at the time of registration to assure your Cosby Camper gets their own Hydration Pack. Your Cosby camper will receive it on Monday morning of their session.

Cosby Birthday Parties!

We love celebrating birthdays at camp! If your camper has a birthday while at camp, please feel free to send a special card or care package. We celebrate all camp birthdays with our special Cosby song. To make the event even more fun plan to purchase a Cosby Birthday Party! When you purchase the Cosby Birthday Party on your camper's birthday, they will be honored with party hats for their whole cabin, festive tablecloth, a song from Cosby staff and a birthday cake at lunch. Celebrate the Cosby way! Look for these in your CamplnTouch account: (Forms and Documents->Additional Options->Cosby Birthday Party)

Transportation/Shuttle Service

If your camper will arrive by plane in Atlanta or Birmingham, Camp Cosby offers shuttle service for purchase. Please be sure to select this option if your camper requires transportation to or from camp. This option is available through your CamplnTouch account in Forms and Documents.

Weekend Stayovers

Campers enrolled for more than one session consecutively (2 or more weeks) may either remain at camp or go home with their parents to return the next day. In order for a camper to remain at Camp during this time, they must be registered for a Stayover Weekend. Register at www.campcosby.org – choose Weekend Stayover session to register. During stayover, campers are supervised by camp staff, have their laundry done, spend time at the waterfront, get plenty of rest, watch a movie and begin planning for the next week's theme.

Weekend Stayover Health Screening

On Saturday of your camper's stayover weekend the camp nurses will do a health screening of your camper and contact you if there are any concerns. This will include a follow up on any bumps, bruises or rashes from the previous week, general health questions, lice/tick check, and temperature or any requested health issue reported by camper. Please remind your camper to tell the nurses if they have any health concerns.

Themes

Campers can enjoy their session even more by participating in the theme! Meals, campfire skits, and some evening programs will be focused around the theme and we invite all to join in on the fun. Items to bring can include costumes, coloring books, trinkets, stuffed animals, and props. Please do not send any items of value. The items sent will be used and potentially get messy. Bringing theme items is not mandatory. Our counselors also help create this fun environment with crafts, projects and face paint! Learn more about themes on our website: www.campcosby.org > Dates and Rates > Themes

Homesickness

Homesickness is normal and healthy. Most campers will experience homesickness on some level. Our staff are trained to identify and work with all levels of homesickness. If a camper seems to be experiencing homesickness on a level that does not allow them to have fun, make friends or participate in activities parents will be contacted. Through partnering with the parents we will make the best decision about how to handle the camper.

Helpful Tips to help prevent homesickness prior to your Camper's Session:

1. Talk with your camper about homesickness. Let them know that it is normal and that the camp staff all know how to talk about it too. Let them know there is nothing to be embarrassed about and encourage them to tell their counselor if they are struggling with homesickness.
2. Plan to write cheery letters that build confidence. Let your camper know you are proud of them and focus on the positives of their experience.

- a. You can send (or bring) letters in advance so they can receive them the first day of camp.
- b. Avoid using phrases such as “We miss you” or “Can’t wait until you get home”, etc. or mentioning activities that they are missing, pictures of pets or mentioning that pets or siblings have been sad without them, you cannot get along without them. Please avoid asking if they are homesick or tell them about problems that are happening at home.
3. Try having your camper attend a few sleepovers away from home before their stay at camp.
4. Please do not tell your camper you will come pick them up if they are not having fun.
 - a. Instead be sure they know who to talk to at camp if they are having troubles.
 - b. Also, if you are still concerned (and that is very normal) call ahead and speak with the Program Operations Director and be sure to check out our “Partnering with Parents” section of this handbook.
5. Please do not bribe your camper by promising something valuable if they make it through the week.
 - a. Rather, discuss internal rewards of making it through the week such as independence, grit and being brave.
 - b. Your camper will love to hear you describe them in this way!
6. If you know your camper is prone to anxiety and homesickness help them plan ways to cope while at camp.
 - a. Keep a journal
 - b. Focus on looking forward to exciting activities and making/being with friends
 - c. Talk with the camp counselor
 - d. Pray/ Mediate
 - e. Hug their favorite stuffed animal

While at Camp

Behavior Expectations and Concerns

Camp Cosby expects campers to abide by all camp rules and the Y’s four core values of Honesty, Caring, Respect and Responsibly. In all areas requiring discipline (which literally means “to teach”), it is our goal to help campers educate themselves, so that they learn to make better choices in the future. Our trained staff try to help campers help themselves and make restitution for any harm that has been caused. Problems are an opportunity for campers to grow. In the event of any serious problems, parents will be promptly notified. If behavior problems continue or exceed our capacity, campers will be sent home. Please contact us before your camper’s arrival to camp to discuss known, significant issues. There are no refunds for campers sent home due to behavioral or psychological issues.

Camp Rules/ Expectations

On opening day of each session, these general camp rules will be discussed with the campers by both the Counselors and Head Counselors. It is expected that all campers follow the camp rules to make sure camp is a safe and successful place for all.

- The use of appropriate language is required.
- Fighting, bullying and physical threats will NOT be tolerated at any time and are grounds for immediate dismissal from Camp Cosby.
- No graffiti!
- Shoes must be worn at all times.
- Keep rocks where Mother Nature has placed them.
- Campers are only allowed to visit the lake area when accompanied by a staff member.
- Keep bathrooms clean and toilets flushed.
- I am 3rd. Put God first, Others Second, Self-Third. Campers should develop an appreciation for living in a group.

- We want Cosby to be a litter-free environment; so please throw away all trash (especially take care to do this during camp store). If the item is recyclable (plastic bottles, aluminum cans, paper, cardboard, glass, etc.) please place them in the designated containers.
- The "hat monster" is alive and well in the Dining Hall. Remember to remove your hats when entering the Dining Hall, Lovejoy Chapel and G.R.A.C.E. Chapel.
- Be on Time! This is a common courtesy to one another. If there is a situation and the counselor needs to stay behind, send the campers ahead with another counselor and an explanation.
- Boys are not to be in the girl's cabins and girls are not to be in the boy's cabins.
- Cabins should be cleaned every morning and kept ready for cabin inspection. The "Golden Dustpan" award will be given daily and the cabin with the highest score at the end of each session will be awarded the "Platinum Plunger."
- Wet clothes should be kept on the clothesline outside your cabin except in rainy weather and on opening and closing days.
- Please turn water faucets and lights off when leaving your cabin. Be conservative.
- No cell phones or electronics of any kind.
- Walking is the best method of transportation from one place to another. Running is allowed for activities. Be aware of the camp road and use the sidewalks when available.
- We follow the Y's four core values or Honesty, Respect, Responsibility and Caring.

Parents will be notified if a camper is not following camp rules and expectations. Campers who refuse to act in a manner safe for themselves, others or camp will be dismissed from camp early and the parent will be required to pick them up without refund. This is at the discretion of Camp Leadership.

Special Needs/Requests

Please let us know if you have any special needs or requests. The Program Operations Director is a great resource for any concerns that you may have. We will make every attempt to serve campers who have physical or special emotional needs. Please be thorough and honest when filling out the Health Form and Getting to Know Your questions so the nurses and counselors can be prepared for the arrival of your camper. We carefully consider each camper and their potential for success in the camp environment. We do not to accept campers beyond our training or capabilities.

Bedwetting

Bedwetting happens from time to time. Some campers suffer from chronic bedwetting and some have the occasional accident. Our goal is that this should not prevent a camper from coming to camp. Our staff is trained to handle bedwetting discreetly and personally. If your camper wets the bed please be sure to note this on their Health Form and on their Getting to Know You questions. Providing this information in advance provides the staff with information so that they can check your camper's bed occasionally during their camp stay and manage accordingly. **Encourage your camper to notify the counselor if they have an accident.** Campers should be instructed to ask their counselors for help, and every effort will be made to prevent accidents. Any bedding, wet or soiled due to bedwetting, will be laundered and returned discreetly to the camper before Rest Period.

Meals & Dietary Restrictions

Balanced meals, including a salad bar, are planned and served by the Food Service staff each day. If your camper has any special dietary restrictions, please include this information on the Health History form, your camper's Getting to Know You Questions and speak to the nurse on check in day. For multiple restrictions and to inquire about meal ingredients please contact our Food Service Director at 256-268-2007 or cosby@ymcabham.org – please put Attn: Food Service Director in the subject line.

Laundry

Laundry service is provided for campers who purchase and remain at Camp for a Weekend Stayover between multiple sessions. Please be sure that all items to be laundered are marked clearly with camper's first and last name. Please send a laundry bag that ties shut to prevent loss of items. If your camper will remain at camp between two or more sessions, the purchase of the corresponding weekend stayover is required. Please register them for Weekend Stayovers at www.campcosby.org.

Out of Camp Trips (LIT, CIT, ADV)

LIT and CIT campers may take a trip offsite during their session to celebrate their learning. This trip is with the CIT Directors and usually includes a meal and an activity. Third year Adventure Village campers may take a trip out of camp to Chinnabee Silent Trail to hike, appreciate Alabama's great outdoors and swim. Campers are transported in camp vehicles by approved camp drivers. Your campers do not need to bring spending money for these trips.

Communication

We offer multiple avenues for you to keep in contact with your camper.

Camp Mail

Everyone loves to receive mail and we will be happy to distribute mail daily.

Mailing address: Camper's Name, Camper's Cabin,
YMCA Camp Cosby
2290 Paul Bear Bryant Rd
Alpine, Alabama 35014

NOTE: It is normal for a camper to express nervousness or homesickness at first, especially for first time campers. Remember to keep your letters cheerful and supportive. We will ensure that each camper has a good time. Please also remember this when you receive postcards from camp from your camper. Their perspective changes dramatically throughout the camp week as they make friends and acclimates to their activities, schedule and food.

CampInTouch

You can purchase Camp Stamps in your CampInTouch account at any time and can use this one way email service to keep in touch with your Cosby camper! We deliver emails daily! You may even insert pictures and borders! This is a ONE way email service. Your camper may write letters in response but will not have access to email in return. It is important to remember that young campers receive your emails on printed paper, not from a computer screen, so they may not understand that this is, in fact an email. So if you have a very young camper attending for the first time, please take a moment to explain that your emails will be printed and given to them while they are at camp. **Please take caution to avoid bright colors and fancy graphics because we are only able to print in black and white.**

CampInTouch Photos

This is a great way to see your camper having a fantastic time at camp! Through your CampInTouch account, using our online email/photo service, you may view and download pictures of your camper. You may also invite guests to view and purchase photos without giving them access to your personal account information, so grandparents, friends and family can enjoy viewing photos and sending one way emails too!

You also have opportunity to purchase any photo you choose. Photos are uploaded each evening and our media specialist works hard to ensure that every camper is included.

Please Note: Due to the nature of travel with Cosby Expeditions, photos are uploaded as our Camp representatives are able to access CamplnTouch so we are unable to guarantee when those are seen.

Telephone/ Camper Report

Feel free to call our camp office if you have questions or concerns. If there is an emergency after normal business hours, please follow the prompts on the voicemail to have the Manager on Duty return your call as soon as possible.

Cosby's Phone Number 256-268-2007 or 1-800-85COSBY (26729)

You can request a "Camper Report" in order to ask any questions you'd like to know about your camper. A staff member will meet your camper at convenient time to ask general questions about camp as well as any specific questions you may have to your camper. This is done in a non-threatening manner and in such a way that your camper has a chance to reply openly and honestly. Camper reports are set up during times when the campers are not in activity periods. The staff member will let you know a time frame for getting back to you when the request is made. Please remember that campers cannot receive or place phone calls while at camp. **Please do not send Cell phones with your camper. These are strictly prohibited. Any electronics brought on campus will be secured in the camp office and returned upon check out. (See Camp Rules for more information).**

Social Media

Our Media specialist will be posting some fun videos and pictures on our Facebook page and Instagram (links), so be sure to check them out!

Facebook

We post an average of 25 photos a day on Facebook and provide information on what is happening at camp. These can be viewed at www.facebook.com/CampCosby/

Instagram

We post on Instagram throughout the week. It's another great way to see what is happening at camp. [Ymcacampcosby](https://www.instagram.com/Ymcacampcosby)

Cosby Parents Page – Facebook

We invite you to join our private Cosby Parents community on Facebook. This is a great place to interact with other parents and ask questions – especially if you are new or if your camper is moving up to a new division this year. The Cosby Parents page is monitored closely by our staff and trusted parent volunteers and each request to join is screened prior to acceptance and every picture and post is reviewed for appropriate content. This is a place to connect as Camper parents, but it's not the place to voice complaints, negative comments or photos of health concerns – those should be directed to the Leadership staff directly at YMCA Camp Cosby so that we may address your concerns privately.

Activities

Buckaroos and Pathfinders will get to participate in age appropriate camp activities. These will include Archery, Horseback Riding, Banana Boat, Arts and Crafts, Sports, Cosby Chute, Gold Panning, Nature Center, Hiking, Canoeing, S'mores, Waterfront, Pool and Dance parties.

Blazers and Rangers choose their own adventure at Camp Cosby. Each night after the evening program they will sign up for 5 activities for the next day. Each day they will do half a day at water activities and half a day at land activities.

Adventurers will participate in leadership development programming and also choose their own adventure at Camp Cosby by selecting their activities each day after the evening program. Each year at Adventure Village (ADV) the teen campers grow as young leaders and take on more responsibility at camp. Some of their activity periods are blocked out for leadership development specifically to Adventure Village.

Visitation

No visitors are allowed during the week. Campers that stay multiple weeks may have a visit on Saturdays. Visits can be scheduled between 11:00 am and 6:00 pm. Parent/guardian is welcome to sign out their camper for a few hours and leave camp, however, visitations are prohibited onsite. Campers can only be signed out by the account holder or authorized grownups on their CampInTouch Registration account. Any person signing out a camper must present valid photo ID at time of sign out and upon returning to camp.

Health Care

We do our best at Camp Cosby to make your camper's experience accident and illness free. However, in the event of an accident or emergency we are well-prepared. Our licensed camp health care professionals are on site 24/7 to treat minor cuts, scrapes and illnesses at no charge. Please be sure to meet with our camp health care professional during Check-In and provide any additional information that is not on the health form, such as a recent illness etc. If your camper is required to bring medications to camp, be sure to turn these in during check in.

Medication **must** be in the original container. Campers needing medical attention beyond our camp health care professional will be taken to American Family Care or St. Vincent's St. Clair Hospital in Pell City. We will make every effort to reach parents/guardians in the event that this becomes necessary. However, be aware that your signature on the Health Form authorizes Camp Cosby staff to secure proper medical attention in the event of an emergency or if we are unable to reach you. Co-pays, medications, and any medical bills associated with treatment will be your financial responsibility/insurance carrier. Outstanding Bills for medical services will be forwarded to you for filing with your medical insurance carrier if direct billing is unavailable at the time services are rendered. If prescription medications are purchased on behalf of your camper, those charges will be added to your CampInTouch account and should be paid prior to check out of your camper's session.

Health Risks of Communal Living

Camp Cosby is a place where campers live, play and dine together in close quarters each session. This environment is much like daycare, school, church, and any other place where communicable diseases can spread so there are health risks associated with this environment. These risks can include head lice, strep, staph infections and the common cold. There is an added risk for insect bites because of the amount of time campers spend outdoors, in the lake and walking to activities. Campers are encouraged to shower, wash their hands before meals and after restroom usage and use hand sanitizer on a regular basis. Cabins are sanitized between sessions and restrooms are cleaned daily. The dining hall is cleaned after every meal.

Help prepare your campers for a healthy camp stay:

1. Please do not send campers to camp with communicable diseases or if they are sick or running a fever. Campers who arrive sick or with any health issue determined to be contagious will be sent home with no refund.
2. **Hand Washing** – Please teach your campers proper handwashing techniques before they come to camp. Need help? Click [Handwashing Tips](#)
3. **Showers** – Staff are instructed to have campers enter the shower at least once a day. Campers are encouraged to shower daily while at camp. Once they are in the shower stall it is up to them to make sure they wash all body parts and rinse off soap and shampoo before exiting the shower stall. Please teach your camper how to shower properly. For helpful tips, search Google for articles to simplify this important practice of good hygiene.

4. **Tell the Nurses** – Remind your camper before they come to camp that the Camp Nurse is here to help. All concerns are important to our Health Center staff. Your input on the Health History form provides great information, but if your camper does not report a health issue during their stay such as feeling bad, or a rash or wound covered by clothing, it will not be caught or treated. It is important for campers to report health concerns so that these can be addressed, treated and communicated for further treatment if necessary.
5. **Be Prepared** – Our highest priority is keeping all campers safe and healthy. However, common camper illnesses and communicable diseases can happen anywhere. Remember that there can be an incubation period associated with these, so your camper may be exposed to something here but it may not emerge until after their stay. Please be sure to check their general health and wash all clothing, bedding, etc. as soon as possible after their stay at Camp Cosby.

These are the most common:

- a. Head Lice
 - b. Staph Infection/MRSA
 - c. Pinworms
 - d. Ringworm
 - e. Stomach Virus
 - f. Hand, Foot and Mouth Disease
 - g. Ticks
 - h. Strep Throat
6. **Health Screen at Home** – The day campers are picked up from camp each parent is encouraged to look over their camper and check for common illness and communicable diseases. Please seek medical attention and notify Camp Cosby (256-268-2007 or cosby@ymcabham.org) as soon as possible if camper becomes ill or if lice, ticks, ringworm or pinworms.
 7. **We will Notify You** – If a camper is diagnosed with any communicable disease, notifications will be sent to parents of all campers who could have been exposed, but the diagnosed camper will remain confidential. Parents will be provided with a list of specific symptoms to observe. This information will be provided in the camper's **Departure Packet or by email** depending on when the diagnosis is reported to Camp Cosby, either by our Health Center staff or parent if the diagnosis is reported after the camp session has ended.

Severe Weather

Here at Camp Cosby the weather is monitored closely. Current and Weekly weather forecasts are reviewed daily and our entire staff is well trained on how to manage storms. If necessary, the daily schedule is adjusted so the campers can play while it is sunny and rest during a mild thunderstorm. In the event that severe weather occurs campers are kept safe in their cabins, in the Dining Hall or in the basement of the Dining Hall depending on the severity of the storm. Our primary focus will always be to ensure campers and staff are safe. We will communicate updates through Social Media and send emails to inform and update families in the event of any severe weather issues including storm related power and technology outages. In the event of extreme severe weather that requires all campers and staff to be moved to the basement of the Dining Hall, camper families will be notified once it is safe. In the event of power outage or other unforeseen circumstances there will be a delay in camp's communication to camper families.

Check Out Day

Saturday at 8:30am Central Standard Time

- Assure your **Departure for Pick-Up form** is up to date – This is located in your CamplnTouch account under Forms and Documents in the Family Forms section. Notify camp of any changes to this form.
- Your camper will only be released to the people on the **Departure for Pick-Up Form** and the legal guardians listed on the account.
- A valid photo ID (government issued Driver's License, Passport, Military ID) is required to sign your camper out of camp.

- All families will be directed to the Dining Hall before going to their camper's cabin. In the Dining Hall you will present your photo id, sign your camper out, receive their departure packet, pick up your camper's medication and check the lost and found table.
- Camp Provided Transportation – This must be organized and purchased with camp in advance. Parents must communicate with whom the camper will be dropped off and photo id must be presented. In some cases verbal sign out is required by parents at time of drop off.

*Buckaroo (3 day camper) Check-out is Wednesday at 1:00pm Central Standard Time

- Assure your Departure for Pick-Up form is up to date – This is located in your CampInTouch account under Forms and Documents in the Family Forms section. Notify camp of any changes to this form.
- Your camper will only be released to the people on the Departure for Pick-Up Form and the legal guardians listed on the account.

- A staff member will ask you to present **your photo ID** and then you'll pick up your camper's **Departure Packet, Luggage and Medication** (if necessary) and of course, your camper. Please be sure to ask about **Lost & Found items** prior to departure from Camp Cosby.

After Camp

Parent Survey

At the conclusion of each session, the camp office will email parents with a link to our online parent survey. We use your valuable feedback to help us make important decisions about managing camp each summer. The survey shows our results immediately, allowing us to respond to comments on an ongoing basis throughout the summer as parents respond. Your feedback is very much appreciated.

Open-Ended Questions

To get more than a yes or no answer you have to ask the right questions. Open-ended questions will allow your camper to process their week and also provide you with much more information. Asking your camper the right questions can promote a greater understanding of his/her camp experience. The following are examples of some open-ended questions:

- (Staff Questions) tell me what made your staff members great this week.

Follow Up Questions

Where were they from?

What do you have in common with your camp counselors?

- (Friendship Questions) Can you tell me about the other kids in your cabin?

Follow Up Questions

Who did you become friends with?

What did you find out about other people this week?

- (Friendship Questions) Can you tell me about a time when you helped someone out at camp?

Follow Up Questions

Can you tell me about a time when someone helped you this week?

Why is it important to help others?

- (Activity Questions) tell me about your favorite activities.

Follow Up Questions

How did you decide which activities to choose?

What new skills did you learn?

- (Activity Questions): Tell me about your favorite evening program.

Follow Up Question

What are some things you think you'll remember forever from this week?

Keep In Touch

Family Events – Each spring and fall we hold family events designed for the whole family to enjoy camp. Come join us!

Family Weekends – Wouldn't it be great if the whole family could enjoy camp together? At Camp Cosby you can! Join us for a family weekend.

Work Days – Have a skill and want to give back? There is always a lot of work to do around camp. Volunteer for a work day! All are welcome!

Open Houses/ Family Events

Camp Cosby provides many ways to stay connected to camp throughout the year! Open Houses are designed for new families to tour camp and get to know the staff. Returning families are encouraged to introduce their friends to camp through our Open House events. Spring and Fall Family events are designed for the whole family to play at camp. For more information and this year's dates and rates visit www.campcosby.org-> Family Events

Winter Camp/Teen Retreats

Make Winter Camp a part of your Holiday Tradition! Campers spend a weekend in December enjoying spending time with their friends and favorite staff members from summer camp while participating some great Winter themed and holiday activities. For campers Grades 1-10.

Teen Retreats are held in the Fall and Spring and are designed specifically with your teen aged camper in mind. This is a time for teens to take a break and refocus. The program will encourage teens to cultivate their leadership style and gain confidence, while learning developing life and employment skills. They will enjoy time together and also experience many exciting camp activities. Teens who are interested in Camp Cosby's summer leadership programs will learn how to become a Leader in Training or Counselor in Training (CIT). Teens will also have the opportunity to learn about summer employment at Camp Cosby and teen programming with the YMCA of Greater Birmingham. For teens ages 13 and up.

Camp Scholarships/Financial Assistance

We believe every camper should have the opportunity to attend sleepaway camp. Scholarships are available through YMCA Camp Cosby's Annual Campaign. It is our goal to make camp financially accessible for all families. Through the commitment of our board members, volunteers, staff and families funds are raised each year and provided for qualifying families. All applications are considered based on income, household need, and individual circumstances.
