

Online Giving

Frequently Asked Questions

Q1: What are the benefits of online giving?

There are several benefits to online giving for both you and the church.

- **Simplicity** - You will not need to remember if you gave this month or pay period, or send your offering checks when you are out of town.
- **Security** - Online giving is more secure than giving with a check in that an electronic gift can't be lost or stolen.
- **No Distractions** - Instead of needing to worry about writing your contribution check during the service, you can be fully engaged with the worship service, knowing that you have already given your offering.
- **Helping Trietsch** - Online contributions require less processing from our administrative and finance staff since the information is logged to your donor record on myTrietsch and deposited automatically.

Q: Is it safe to give online?

Yes. In many ways giving online is safer than writing a check because an electronic gift cannot be lost or stolen. The security of the system is continually managed by our online provider, FellowshipOne.

Q: What types of bank accounts can I give from?

You can give online from your personal checking account using your bank routing and account numbers.

Q: Can I give using a credit or debit card?

Trietsch encourages practices that promote healthy personal finances, which includes the role of debt instruments. Though we do allow the use of credit cards and debit cards in online giving, we encourage members to not put their gifts on their credit cards UNLESS they are able to pay it off each month.

Q: I currently use my bank's online bill pay feature for my donations. How is this different and should I switch?

You do not necessarily need to switch. Trietsch online giving is different from your bank's online bill pay feature in two ways: First, with Trietsch's system, donations are immediately recorded to the church and your giving history at the time of your contribution whereas your bank takes time (several days) to process and mail a check to the church. Secondly, Trietsch online giving is processed electronically, so there is no need for our contributions staff to handle a physical check.

Q: Are there any fees involved with giving online?

Not to you. You will not pay any fees with an online gift. In addition, online gifts are a more cost efficient and convenient way for the church to process donations.

Q: Can I make a one-time contribution?

Yes. The system allows you the option of either making a one-time contribution or setting up a recurring contribution. For a one-time contribution, you can designate that the contribution should be made immediately or, for both one-time and recurring contributions, you can schedule the contributions to come out of your bank account on the date(s) specified by you.

Q: If I want to set-up a recurring gift, what are my options for frequency of my gift?

For recurring gifts, you have the option of giving weekly, monthly, twice a month (1st and 16th) or every two weeks. You may also specify the starting and ending dates for your recurring gifts.

Q: Can I change my personal information or the amount or the frequency of my gift once I have set it up?

Yes. You can change or cancel your contribution at any time *before* the date of your next scheduled contribution (once a contribution has been processed it cannot be canceled). Simply log in to myTrietsch using your user name and password and make the necessary changes in the system.

Q: Can I review my donation history online?

Yes. myTrietsch will allow you to view the complete history of your contributions, given either online or otherwise. Once you've created an account, you will be able to contribute immediately. In some cases, before you can see any past contributions, we must manually connect your online account with your previous information. This is a one-time process that usually happens within days of creating your account. After that, you can view your giving history for the current year and the prior year (online or by check) at any time.

Q: How long does it take for my donation history to post online for review?

When you first set up your online giving profile, it will take a few days for our staff to link your myTrietsch ID with the church database record. After this you will be able to review your previous gifts to Trietsch in the online giving section of the website. Once your record is linked, future gifts will be posted and available immediately after your gift is received.

Q: Can I see giving history for other members of my household?

Yes, if you are in the system as an adult you will be able to view giving history for all members of your household. In order to view history or generate a statement for selected people in your household, select the person or people you want to display under the "Contributions for" selector and click View. Click the "Download statement" link to generate a statement for the person or people in view.

Q: Why are some transactions attributed to my household and others attributed to an individual?

All online giving transactions are always attributed to the individual whose myTrietsch ID was used to set up and process the transaction. This is because a myTrietsch ID is used for one unique person and cannot be shared among multiple people. Paper checks processed by the church are usually attributed to the household. We anticipate this difference not being an issue

for married couples filing jointly since it doesn't matter whose name is on a gift for tax deduction purposes.

For instances where you need to show an individual's giving on a separate statement, select the person you want to display under the "Contributions for" selector and click View. Click the "Download statement" link to generate a statement for the person in view.

Q: Will I still receive regular contribution statements from the church?

You will not receive a printed contribution statement mailed to your postal address when you create a myTrietsch ID. myTrietsch gives you the opportunity to print or download your statement at any time for the current year and past year. If you ever need a printed statement sent to you, please email finance@tmumc.org to make that request.

Q: When will contributions be taken from my account?

Contributions will be taken from your specified bank account within 2 business days of the date you requested. This time frame allows time for the contribution to process through your bank and the church's bank. If the date of your contribution falls on a weekend or a holiday, the transaction will be initiated on the next banking day.

Q: Can I designate my gift to a particular ministry or account?

Yes, you can designate your gift to go toward one of the following funds:

- **General Giving/Pledge:** This is our general fund and can be used for normal tithes. This supports the ministries, staff and general operation of our church.
- **Building Fund/Emergency Repairs:** Gifts to this fund will help us address important building and grounds maintenance items. Use of this fund is under the direction of Trietsch's Board of Trustees
- **Debt Offering:** Gifts to the debt offering support our current and ongoing debt obligations. We may also add additional accounts at specific times. If you don't know which one to choose, please consider giving to "01 Ministry Offerings."
- **Other:** Other funds may be added during periods of specific campaigns.

Q: How will I know that I set up my gift correctly?

Very shortly after submitting your contribution, you will receive an e-mail verifying your contribution and you will see it in your giving history online.

If giving for the first time after setting up your account, you will be able to see past giving history in about a week.

Q: Does it matter which Internet browser I use?

No. Any browser will work, including later-model mobile devices.

Q: Will I be able to give to special Trietsch short-term campaigns online?

During times when these campaigns are occurring, you will be able to give a one-time contribution to support the given initiative or campaign.

Q: Can I give by online or paper check?

Yes, you can give via online or paper check. If you'd like to write a paper check to Trietsch, please send it via mail, deliver it in person, or place it in an offering during our Sunday services. Our address is:

Trietsch Memorial United Methodist Church
6101 Morriss Rd
Flower Mound, TX 75028

Q: I have additional questions about online giving that have not been addressed.

Who can I talk to?

For any questions, concerns or comments about the online giving system, please contact our Finance Department at finance@tmumc.org. You will receive a response from our financial staff as soon as possible.
