# Stepping Stones to the Future

The Eye Center at Southern College of Optometry (SCO) opened its doors in 2002 and since that time has become the premier provider of eye health and vision care services in the Mid-South. The college's clinical programs serve nearly 50,000 patients annually.

In addition to patient care, The Eye Center provides training for future optometrists in the newest techniques and treatment options for diseases and disorders of the eye. It also represents the alumni and friends who support optometric excellence at SCO.

The entrance of The Eye Center contains personalized bricks placed there by alumni and friends who made the decision to support the college by making a lasting tribute to a friend or family member.

You also have the opportunity to place a personalized brick in front of The Eye Center, creating a lasting memory of your graduate's experience at SCO as they enter the profession of optometry.

It is simple to place the order now and reserve a space at the entrance of The Eye Center with your new Optometrist's name and class year. Place your order by completing the attached form and returning it in the enclosed envelope.

For assistance or more information, please contact Cecily Freeman in the Office for Institutional Advancement at 800-238-0180, ext. 4 or email her at cfreeman@sco.edu.

**Order by March 1, 2019 to ensure that your order is fulfilled by 2019 Graduation.**
