SVOSH FALL SILENT AUCTION

Help support our students in providing eye care to those in need!

LOCATED IN THE ATRIUM

SVOSH is a group of student volunteers that travels to Central and South America to provide eye care to those in need. Last year, we performed 9,182 exams, dispensed 5,877 pairs of glasses and 1,557 pairs of sunglasses, and diagnosed 1,556 cases of pathology. To support our mission efforts, we rely on donations from various organizations and contributors to help us bring eye care to the less fortunate. All proceeds from the silent auction will directly contribute to fundraising goals for our trips. We can't do it without your help!
