

FROG WATCH USA™

December 2013

Dear FrogWatch USA Volunteers,

Thank you for your participation in FrogWatch USA in 2013; your time, energy, and expertise are greatly appreciated!

[Download](#) the year-end newsletter, where you will see highlights from the 2013 season and a sneak preview of our new online data entry, mapping, and analysis tool! This tool has been developed in partnership with the National Geographic Society with support from the National Science Foundation. Volunteers will be able to use this new system beginning in 2014.

Also, don't forget to [email](#) us any datasheets you might still have from the 2013 season.

In this season of gratitude, we again thank you for your support of FrogWatch USA.

Best,

The FrogWatch USA team at the Association of Zoos & Aquariums
