

Last Name	First Name	Institution	Position/Title	Email	Phone	Areas of Research
Alberts	Allison	San Diego Zoo Global	Chief Conservation and Research Officer	aalberts@sandiegozoo.org	760-291-5480	reintroduction biology, herpetology
Allard	Stephanie	Detroit Zoological Society	Director of Animal Welfare	sallard@dzs.org	248-541-5717 x3720	animal behavior and welfare
Alligood	Christy	Disney's Animal Kingdom	Behavioral Scientist	christina.alligood@disney.com	407-938-2556	enrichment, learning and cognition
Anderson	Paul	Mystic Aquarium	Research Scientist	panderson@mysticaquarium.org	860-572-5955 x115	aquaculture, animal behavior, animal physiology
Andrews	Russel	Alaska SeaLife Center & University of Alaska	Marine Mammal Scientist	russa@alaskasealife.org	907-224-6344	physiological and behavioral ecology, biotelemetry development, marine mammals
Andrews	John	Lincoln Park Zoo	Population Biologist	jandrews@lpzoo.org	312-742-6600	small population management, avian ecology, population modeling, wildlife
Asa	Cheryl	Saint Louis Zoo	Director of Research	asa@stlzoo.org	314-646-4523	reproductive physiology, endocrinology, behavior
Baird	Bonnie	North Carolina Zoo	Assocaite Curator of Research	bonnie.baird@nczoo.org	336-879-7721	animal behavior and welfare
Balfry	Shannon	Vancouver Aquarium	Director Aquatic Animal Breeding	Shannon.Balfry@ocean.org	604-659-3751	cold water marine fish breeding research, fish health & nutrition, reproduction
Barrett-Lennard	Lance	Vancouver Aquarium	Senior Marine Mammal Research Scientist	Lance.Barrett-Lennard@ocean.org	604-659-3428	killer whale ecology and population genetics
Barrick	Rebecca	University of British Columbia/ Vancouver	Research Technician	rebecca.barrick@ocean.org	605-659-3470 604-931-6204	pinniped energetics and nutrition
Bastian	Meredith	Smithsonian's National Zoo	Curator of Primates	BastianM@si.edu	(202) 633-4888	primate behavioral and physiological research
Bastian	Meredith	Smithsonian's National Zoo and Conservation	Curator - Primates	BastianM@si.edu	202-633-3243	Innovation and cultural behavior in wild and zoo-housed orangutans, Great ape nesting
Bauer	Erika	Smithsonian's National Zoological Park	Assistant Curator, Asia Trail	bauere@si.edu	202-633-3237	animal behavior & welfare
Beetem	Dan	the Wilds	Director of Animal Management	dbeetem@thewilds.org	740-638-5030 X2110	reproduction, conservation breeding
Bennett	Jessica	Trevor Zoo	Director of Programs	jbennett@millbrook.org	845-677-3704	animal behavior, welfare, enrichment
Bergl	Rich	North Carolina Zoo	Curator of Conservation and Research	richard.bergl@nczoo.org	336-879-7602	in situ conservation, conservation monitoring, GIS, population genetics
Bernstein-Kurtycz	Laura	Cleveland Metroparks Zoo	Graduate Research Associate	lmbk@clevelandmetroparks.com	216-661-6500 x4029	bear behavior and welfare
Birdsall	Caitlin	Vancouver Aquarium	Co-ordinator, BC Cetacean Sightings Network	Caitlin.Birdsall@ocean.org	606-659-3770	marine mammal distribution, abundance and population trends
Black	Sandie	Calgary Zoo	Head of Veterinary Services	sandieb@calgaryzoo.com	T (403) 232-9309, C (403) 371-9082	Veterinary medicine, wildlife disease, Zoo medicine
Bliss-Moreau	Eliza	University of California, Davis	Assistant Professor of Psychology	eblissmoreau@ucdavis.edu	530-752-6268	emotion, neuroscience, well-being
Borden	Laura	Vancouver Aquarium	relief diver	lauraborden2@gmail.com	604-659-3400	assist with dive research
Boylan	Shane	South Carolina Aquarium	Staff veterinarian	sboylan@scaquarium.org	843-579-8659	veterinary medicine and physiology: reptile, fish, invertebrates
Bragin	Nanette	The Denver Zoo	GIS Conservation Biologist	NBragin@denverzoo.org	720-337-1517	GIS, landscape ecology, population management
Brichieri-Colombi	Typhenn	Calgary Zoo	Conservation Research Population Ecologist	typhennbc@calgaryzoo.com	(403) 294-7668	reintroduction science, community-based conservation, spatial ecology support
Bronikowski	Ed	Smithsonian's National Zoo and Conservation	Senior Curator, Supervisory Biologist	BronikowskiE@si.edu	202-633-3248	Japanese giant salamander (<i>Andrias japonicus</i>): husbandry; and reproduction.

Brown	Janine	Smithsonian Conservation Biology	Senior Research Physiologist/Endocrinology Laboratory	brownjan@si.edu	540-635-6586	reproduction, endocrinology, reproductive hormone diagnostic services, welfare,
Bryant	Jocelyn	Chicago Zoological Society - Brookfield Zoo	Endocrinology Lab Manager	Jocelyn.Bryant@czs.org	708-688-8831	animal welfare, endocrinology, reproduction
Carlson	Dave	Vancouver Aquarium	Research Coordinator	Dave.Carlson@ocean.org	604-659-3440	cold water marine fish breeding research
Carlstead	Kathy	none	none	kathy.carlstead@gmail.com	808-206-6637	elephant welfare, human-animal relationships
Carpenter	Nancy	Utah's Hogle Zoo	Director of Animal Health	ncarpenter@hoglezoo.org	801-584-1795	animal health, veterinary medicine
Che-Castaldo	Judy	Lincoln Park Zoo	Alexander Center Research Scientist	jche-castaldo@lpzoo.org	312-742-7966	population modeling, demography, population biology
Coleing	Amelia	Calgary Zoo	Greater Sage-Grouse Researcher	ameliac@calgaryzoo.com	(403) 232-9301	population ecology, grouse ecology, reintroductions
Counihan	Katrina	Alaska SeaLife Center	Scientist & COHO Lab Director	katrinac@alaskasealife.org	907-224-6336	COHO diagnostic service laboratory, marine conservation ecology, infectious disease,
Cox	Cathleen	Los Angeles Zoo	Research Director	Cathleen.Cox@lacity.org	323-644-4204	behavior, conservation
Cranston	Kayla	Saint Louis Zoo	Conservation Education Researcher	kcranston@stlzoo.org	314-646-4917	Conservation psychology, evaluation of capacity building for conservation,
Cronin	Katherine	Lincoln Park Zoo, Fisher Center	Research Scientist	kcronin@lpzoo.org	742-2669	primate behavior, primate cognition, animal welfare
Crosier	Adrienne	Smithsonian's National Zoo and Conservation	Cheetah Biologist	CrosierA@si.edu	540-635-6594	reproductive physiology, endocrinology, behavior, immune function, genomics, felids,
Curry	Erin	Center for Conservation and Research of	Reproductive Physiologist	erin.curry@cincinnati-zoo.org	513-569-8208	reproductive physiology, ART, endocrinology
Dabek	Lisa	Woodland Park Zoo	Senior Conservation Scientist	Lisa.Dabek@zoo.org	206-548-2623	endangered species, tree kangaroo ecology and behavior, Papua New Guinea,
Deem	Sharon	Saint Louis Zoo Institute for Conservation	Director	deem@stlzoo.org	314-646-4708	in situ and ex situ conservation medicine research, One Health
Deichmann	Jessica	Smithsonian's National Zoo and Conservation	Conservation Biologist	DeichmannJ@si.edu	202-633-4783	Tropical ecology, biodiversity monitoring, ecoacoustics and passive acoustic
Delaski	Kristina	Smithsonian's National Zoo and Conservation	Veterinary Medical Officer	DelaskiK@si.edu	540-635-0053	Conservation medicine, disease surveillance, clinical medicine, imaging, anesthesia, animal
deMaar	Thomas	Gladys Porter Zoo	Senior Veterinarian	tdemaar@gpz.org	956-546-0044	wildlife disease, reintroduction, providing samples for others
Dennis	Pam	Cleveland Metroparks Zoo	Veterinary Epidemiologist	pmd@clevelandmetroparks.com	216-635-2520	population health
Derrickson	Scott	Smithsonian Cons.Biol.Institute / NZP	Deputy Director, SCBI	derricksons@si.edu	540-635-6510	avian behavior, ecology, propagation
Dickson	Melissa	Dickerson Park Zoo	Asia /Elephant Manager	mdickson@springfieldmo.gov	417-833-8591	reproduction, endocrinology, behavior
Dixon-MacCallum	Graham	Calgary Zoo	Conservation Research Associate	grahamdm@calgaryzoo.com	T (403) 232-9300, x560; C (403) 804-	Conservation translocations, reintroductions, ecology
Donelan	Elizabeth	Center for Conservation and Research of	Research Associate	elizabeth.donelan@cincinnati-zoo.org	513-569-8210	endocrinology, reproduction
Dow	Tina	N/A	Researcher	tinaldow@gmail.com	240-727-6937	conservation biology, reproductive physiology, endocrinology, human-wildlife
Dreyer	Ellen	Brevard Zoo	Animal Behavior and Wellness Coordinator	edreyer@brevardzoo.org	321-254-9453 ext. 384	animal behavior & welfare
Driscoll	Maureen	Mystic Aquarium	Research Fellow	mdriscoll@mysticaquarium.org	860-572-5955	endocrinology, microbiome
Duncan	Ann	Detroit Zoo	Chief Veterinarian	aduncan@dzs.org	248-336-5708	veterinary science, animal welfare

Durrant	Barbara	San Diego Zoo, Institute for Conservation	Director, Reproductive Physiology	bdurrant@sandiegozoo.org	760-291-5436	assisted reproductive technology, gamete cryopreservation, endocrinology
Edwards	Hannah	Calgary Zoo	Conservation Research Population Ecologist	hannahe@calgaryzoo.com	403 609 9724	reintroduction, captive-breeding, population ecology
Edwards	Katie	Smithsonian's National Zoo and Conservation	SCBI -Postdoctoral Fellow	EdwardsKL@si.edu	540-635-0454	Wildlife endocrinology - reproduction, health and well-being
Egelkamp	Crystal	Lincoln Park Zoo	Research Assistant	cegelkamp@lpzoo.org	312-744-5532	Primate cognition and behavior
Elston	Jennifer	Fort Worth Zoo	Curator of Conservation and Behavior	jelston@fortworthzoo.org	817-759-7315	animal behavior
Faust	Lisa	Lincoln Park Zoo	Vice President of Conservation & Science	lf Faust@lpzoo.org	312-742-7227	population biology, zoo population management, demographic modeling,
Ferrie	Gina	Disney's Animal Kingdom	Research Manager and Population Biologist	gina.m.ferrie@disney.com	407-938-2023	population biology, genetics, behavior
Fidino	Mason	Lincoln Park Zoo	Ecological Analyst	mfidino@lpzoo.org	312-742-4146	urban wildlife, management, birds
Fisher	John	Vancouver Aquarium	Senior Aquarium Biologist	John.Fisher@ocean.org	604-659-3491	arctic fish and invertebrate husbandry and reproduction
Franklin	Ashley	AZA Reproductive Management Center at	Program Analyst	franklin@stlzoo.org	314-646-4732	Reproductive Biology and Management, Genetics, Endocrinology, Applied Statistics
Fraser	John	New Knowledge Organization Ltd	President & CEO	jfraser@newknowledge.org	347-766-3399	environmental education, conservation psychology, visitor research, public attitudes
Frid	Alejandro	Vancouver Aquarium	diver/data analyst	alejfrid@gmail.com	604-947-0436	groundfish research, theoretical ecology
From	Margaret	Omaha's Henry Doorly Zoo	Director of Plant Conservation	psl@omahazoo.com	402-557-6922	in situ, ex situ conservation, reintroduction, propagation MSc. In Plant Science
Fuller	Grace	Detroit Zoological Society	Manager of Applied Animal Welfare Science	gfuller@dzs.org	248-336-5759	animal behavior, animal welfare, wildlife endocrinology
Gamble	Kathryn	Lincoln Park Zoo	Dr. Lester E. Fisher Director of Veterinary Medicine	kgamble@lpzoo.org	312-742-7722	veterinary medicine, pharmacology
Garcia	Lorena	Vancouver Aquarium	Research Assistant	lorenagarcia802@hotmail.com	604-666-4296	cold water marine fish breeding research
Gartner	Marieke	Philadelphia Zoo	Animal Behavior and Well Being Researcher	Gartner.Marieke@phillyzoo.org	215-243-5316	Animal Psychology and Behavior, Animal Well Being, Stress Hormone, Animal-Public
Gibbs	Donna	Vancouver Aquarium	research diver/taxonomist	donna.gibbs@ocean.org	604-659-3780	seabed biodiversity documentation
Goertz	Carrie	Alaska SeaLife Center	Director of Animal Health	carrieg@alaskasealife.org	907-224-6326	marine animal health, wildlife response
Goodrowe Beck	Karen	Point Defiance Zoo & Aquarium	General Curator	karen.goodrowe@pdza.org	253-404-3680	reproductive biology, endocrinology
Grand	Alison	Lemur Conservation Foundation	Curator of Primates and Conservation	agrand@lemurreserve.org	941-322-8494	primate behavior, stress physiology, in situ conservation, cognition
Gupta	Rupu	New Knowledge Organization Ltd	Analyst	rgupta@newknowledge.org	347-766-3399	conservation psychology, environmental education theory, cultural competencies and
Haines	Llewellyn	Calgary Zoo	Conservation Research Field Technician	Llewellynh@calgaryzoo.com	(403) 804-8930	Field work, population monitoring, reintroductions, species at risk
Hall	Katie	Chicago Zoological Society - Brookfield Zoo	Post-Doctoral Fellow in Primate Research	katie.hall@czs.org	708-688-8414	chimpanzee behavior, cognition, welfare
Hallager	Sara	Smithsonian's National Zoo and Conservation	Curator of Birds	HallagerS@si.edu	202-633-3088	Ex situ management of birds
Haulena	Martin	Vancouver Aquarium	Veterinarian	Martin.Haulena@ocean.org	604-659-3468	marine mammal health and pathology
Hawkes	Nancy	Woodland Park Zoo	General Curator	nancy.hawkes@zoo.org	206-548-2504	animal welfare, behavior, reproduction, visitor perceptions

Hébert	Lacey	Calgary Zoo	Conservation Research Field Technician	laceyh@calgaryzoo.com	403-968-6981	Field work, population monitoring, reintroductions. species at risk
Heintz	Matthew	Detroit Zoological Society	Research Associate	mheintz@dzs.org	248-541-5717 x3215	behavior, welfare, endocrinology
Heise	Kathy	Vancouver Aquarium	Research Associate	kathyaheise@gmail.com	604-988-8823	marine mammal acoustics, Pacific white-sided dolphin ecology and behaviour
Helmick	Kelly	Smithsonian's National Zoo and Conservation	Supervisory Veterinary Medical Officer	HelmickK@si.edu	540-635-0102	Clinical medicine, clinical pharmacology, animal welfare, anesthesia, disease
Herrelko	Elizabeth (Betsy)	Smithsonian's National Zoo and Conservation	Assistant Curator, Animal Welfare and Research	HerrelkoE@si.edu	202-633-4444	animal behavior, cognition, management, and welfare
Herrick	Jason	Omaha's Henry Doorly Zoo	Director of Reproductive Science	Jason.herrick@omahazoo.com	402-738-2008	Reproductive Biology
Hollmen	Tuula	Alaska SeaLife Center and University of Alaska	Scientist and Research Associate Professor, UAF	tuulah@alaskasealife.org	907-224-6323	marine conservation ecology, marine ornithology, physiological ecology
Hopper	Lydia	Lincoln Park Zoo	Assistant Director, Lester E. Fisher Center for the Study of Conservation	lhopper@lpzoo.org	312-742-7354	primate cognition; primate behavior; positive reinforcement training; social learning;
Horning	Markus	Alaska SeaLife Center	Science Director, Research Scientist	markush@alaskasealife.org	907-224-6324	conservation ecology and population dynamics of marine mammals, seabirds and
Hung	Boaz	Vancouver Aquarium	Research Assistant	Boaz.Hung@ocean.org	604-659-3440	cold water marine fish breeding research
Hyson	Danielle	Vancouver Aquarium	Senior Marine Mammal Trainer, research	danielle.hyson@ocean.org	605-659-3470 604-931-6204	general mammal research support.
Jacobson	Sarah	Lincoln Park Zoo	Fisher Center Research Assistant	sjacobson@lpzoo.org	312-742-5543	animal behavior
Jaffe	Karen	Sonoma State University and Oakland Zoo	Director/Professor	karin.jaffe@sonoma.edu	(707) 664-2944	animal behavior and welfare
Jared	Guthridge	Alaska SeaLife Center	Aquarium Manager	jaredg@alaskasealife.org	907-224-6886	early life history of fish
Keating	Laura	Calgary Zoo	Conservation Research Analyst	laurak@calgaryzoo.com	403-232-9379	statistics, study design, decision analysis
Kendall	Corinne	North Carolina Zoo	Curator of Conservation and Research	corinne.kendall@nczoo.org	336-879-7607	conservation, behavior, vultures
Kendrick	Erin	Smithsonian's National Zoo and Conservation	Clinical Nutritionist	KendrickE@si.edu	202-633-4199	Clinical Zoo Nutrition, Nutrient composition of wild diet items
Kent	Danny	Vancouver Aquarium	Curator, Propagation	Danny.Kent@ocean.org	604-659-3460	arctic fish and temperate marine fish and invertebrate husbandry, reproduction and
Koch	Gregory	Zoo Miami Foundation	Director of Education	gkoch@zoomiami.org	305-255-5551	aquatic and wetlands ecosystems ecology, urban ecology
Koester	Diana	Cleveland Metroparks Zoo	Curator of Research	dck@clevelandmetroparks.com	216-635-2522	reproductive physiology, endocrinology, animal welfare monitoring
Krebs	Bethany	San Francisco Zoo	Wellness Research Manager	BethanyK@sfzoo.org	415-213-8127	Animal behavior, animal welfare
Kubarek	Joy	PEER Associates	Senior Research Associate	joy@peerassociates.net	218-340-5776	science education research, program evaluation, evaluation capacity building,
Kuhar	Chris	Cleveland Metroparks Zoo	Director	cwk@clevelandmetroparks.com	216-635-3335	welfare assessment and conservation program evaluation
Lacy	Robert	Chicago Zoological Society	Senior Conservation Scientist	rlacy@ix.netcom.com	315-440-5756	population management, population viability analysis
Lasby	Billy	Vancouver Aquarium	Senior Marine Mammal Trainer, research	billy.lasby@ocean.org	606-659-3470	general mammal research support.
Latimer	Erin	Smithsonian's National Zoo and Conservation	Research Specialist (Pathology)	LatimerE@si.edu	202-633-4252	elephant endotheliotropic herpesviruses (EEHV)
Lauderdale	Lisa	Chicago Zoological Society - Brookfield Zoo	Postdoctoral Fellow in Animal Welfare	lisa.lauderdale@czs.org	708-688-8603	animal welfare, behavior

Lavin	Shana	Disney's Animal Kingdom	Research Manager	shana.lavin@disney.com	407-938-1572	endocrine, physiology, nutrition
Lawless	Amanda	Lincoln Park Zoo	Population Biologist	alawless@lpzoo.org	630-209-8944	marine animals and ecology, mollusks, small population management
Lazure	Louis	Zoo de Granby	Research Coordinator	llazure@zoodegranby.com	450-372-9113 x2176	animal behavior and welfare, in situ conservation (small mammals, reptiles), freshwater and marine tropical breeding research
Lee	Newman	Vancouver Aquarium	Tropical Waters Curator	Lee.Newman@ocean.org	604-659-3462	freshwater and marine tropical breeding research
Leeds	Austin	Cleveland Metroparks Zoo	Graduate Research Associate	cal@clevelandmetroparks.com	216-661-6500 x4030	animal behavior, welfare, and cognition
Lehrer	Liza	Lincoln Park Zoo	Urban Ecologist	llehrer@lpzoo.org	312-742-7225	urban wildlife, woodchuck, translocation
Leighty	Katie	Disney's Animal Kingdom	Animal Operations Director	katherine.leighty@disney.com	407-938-2661	behavior, cognition, visitor studies, training and enrichment
Leimgruber	Peter	Smithsonian's National Zoo and Conservation	Research Biologist	LeimgruberP@si.edu	540-635-6589	Conservation Biology, Movement Ecology, Landscape Ecology, Species Restoration, GIS,
Less	Elena	Cleveland Metroparks Zoo	Associate Curator of Animals	eah@clevelandmetroparks.com	216-635-3313	behavior, nutrition, health, welfare
Limbrick	Kelvin	Lincoln Park Zoo	Studbook Analyst	klimbrick@lpzoo.org	312-742-7682	population biology, population modeling
Lloyd	Natasha	Calgary Zoo	Conservation Research Senior Specialist	natashal@calgaryzoo.com	(403) 232-9348	Conservation translocations, reintroduction science, captive breeding
Louis	Edward	Omaha's Henry Doorly Zoo & Aquarium	Director of OHDZA Conservation Genetics;	edlo@omahazoo.com	402-738-2095	in situ conservation, population genetics, behavior, reforestation
Luebke	Jerry	Chicago Zoological Society-Brookfield Zoo	Senior Manager, Audience Research	jerry.luebke@czs.org	708-688-8370	audience/visitor studies, program evaluation
Lukas	Kristen	Cleveland Metroparks Zoo	Director of Conservation and Science	kel@clevelandmetroparks.com	216-635-2523	animal behavior
Magle	Seth	Lincoln Park Zoo	Director, Urban Wildlife Institute	smagle@lpzoo.org	312-742-7215	urban wildlife, landscape ecology, behavior
Maniscalco	John	Alaska SeaLife Center	Scientist	johnm@alaskasealife.org	907-224-6378	Steller sea lion behavior & population dynamics, remote video monitoring studies
Margulis	Sue	Canisius College	Professor and Chair, Animal Behavior, Ecology, and	margulis@canisius.edu	716-888-2773	Animal behavior, behavioral endocrinology, primatology. Specializations include
Marinari	Paul	Smithsonian's National Zoo and Conservation	SCBI Senior Animal Curator	MarinariP@si.edu	540-635-6566	reproductive biology, small population management, reintroduction of endangered
Marliave	Jeffrey	Vancouver Aquarium	VP Marine Science	jeff.marliave@ocean.org	604-659-3481	natural history, Pacific Canada marine fishes & invertebrates
Martinez-Rivera	Carlos	Philadelphia Zoo	Amphibian Conservation Specialist	MartinezRivera.Carlos@phillyzoo.org	215-243-5217	conservation, ecology, animal behavior, acoustic communication, herpetology
Maslanka	Michael	Smithsonian's National Zoo and Conservation	Supervisory Biologist	maslankam@si.edu	202-633-1109	Nutritional physiology, gastrointestinal morphology, lactation physiology, nutritional reproduction, behavior, captive husbandry, conservation
McCann	Colleen	WCS/Bronx Zoo	Curator of Mammals	cmccann@wcs.org	718-220-7112	reproduction, behavior, captive husbandry, conservation
McCowan	Brenda	International Institute for Human-Animal	Director/Professor	bjmccowan@ucdavis.edu	530-219-1857	behavioral biology and ecology, social networks, communication, health
McGinnity	Dale	Nashville Zoo	Curator of Ectotherms	dmcginnity@nashvillezoo.org	615-833-2248 x154	cryopreservation and a.r./ habitat improvement and
McKillop	Meghan	Vancouver Aquarium	Research Assistant and Administrator	Meghan.McKillop@ocean.org	605-659-3430	Killer whale ecology, demography and behaviour
McKinnon	Don	Calgary Zoo	Conservation Research Population Ecologist	donm@calgaryzoo.com	403- 355-6600	population ecology, grouse ecology
McPherson	Jana	Calgary Zoo	Conservation Research Senior Specialist	janam@calgaryzoo.com	(403) 232-9302	Conservation translocations, reintroductions, community-based

McShea	William (Bill)	Smithsonian's National Zoological Park	Wildlife Ecologist	mcsheaw@si.edu	540-635-6563	in situ conservation of large mammals, Asian mammals, deer ecology
Melton	Kayla	Lincoln Park Zoo/ AZA Population Management	Research Assistant	kmelton@lpzoo.org	312-742-3779	Population genetics/demographics, population modeling, wildlife conservation
Mendelson	Joseph	Zoo Atlanta	Curator of Herpetology	jmendelson@zooatlanta.org	404-624-5655	evolutionary biology & taxonomy; amphibian conservation
Mendyk	Robert	Audubon Zoo	Curator of Herpetology	rmendyk@auduboninstitute.org	504-212-5240	Ecology, behavior and reproductive biology of reptiles and amphibians, biology of invasive
Miller	Amy	Center for Conservation and Research of	Research Associate	amy.miller@cincinnatiatizoo.org	513-569-8209	endocrinology, reproduction
Miller	Brian	Denver Zoo	Senior Research Biologist	brimill@desertgate.com	505-425-1819	conservation, protected areas, trophic cascades
Miller	Lance	Chicago Zoological Society - Brookfield Zoo	Vice President of Conservation Science and	lance.miller@czs.org	708-688-8433	animal welfare, behavior, endocrinology, conservation
Miller	Michele	Stellenbosch University, South Africa	South African Research Chair in Animal TB	michelemiller128@gmail.com	27738129141	TB, in situ conservation of African mammals, anesthesia, infectious diseases
Milne	Victoria	El Paso Zoo	Zoo Veterinarian	milneve@elpasotexas.gov	915-521-1890	animal health, coordinating collaboration with outside projects
Minier	Darren	Oakland Zoo	Asst. Director, Animal Care, Conservation, and Research	dminier@oaklandzoo.org	805-428-2594	human-animal interactions, behavior modification, population management
Moehrensclager	Axel	Calgary Zoo	Director, Conservation and Science	axelm@calgaryzoo.com	403-232-7771, 403-371-8990 (cell)	Conservation translocations, reintroductions
Moresco	Anneke	Denver Zoo	Research Manager	amoresco@denverzoo.org	720-337-1694	Reproduction, behavior, welfare
Morgan	Kathleen	Southwick's Zoo	Director of Research	kmorgan@southwickzoo.com	508-341-4934	applied behavior analysis, environmental enrichment, behavioral husbandry
Morgan	Dave	Lincoln Park Zoo	Research Fellow, Co-Director of the Goulougo Triangle	dmorgan@lpzoo.org	none	ape behavior, conservation
Morris	Megan	Jacksonville Zoo and Gardens	Animal Behavior and Wellness Specialist	morrism@jacksonvillezoo.org	none	animal behavior and welfare
Murach	Carmen	Northeastern Wisconsin Zoo & Adventure Park	Curator of Animals	murach_cd@co.brown.wi.us	920-662-2403	in situ conservation, behavior, welfare, health, nutrition
Murray	Maureen	Lincoln Park Zoo	Wildlife Disease Ecologist	maureenmurray@lpzoo.org	312-742-2193	wildlife disease, urban ecology, behavioral ecology
Neale	Troy	Vancouver Aquarium	Senior Marine Mammal Trainer, research	troy.neale@ocean.org	605-659-3470 604-931-6204	general mammal research support.
Nero Moffatt	Jennifer	Birch Aquarium at Scripps Institution of	Senior Director Animal Care, Science and Conservation	jmoffatt@ucsd.edu	858-246-1792	corals, syngnths, cephalopods, husbandry
Niedbalski	Amy	Saint Louis Zoo	Director, Conservation & Audience Research &	niedbalski@stlzoo.org	314-646-4580	visitor studies, exhibit evaluation, education and conservation program evaluation, human
Nordstrom	Chad	Vancouver Aquarium	Research Assistant	Chad.Nordstrom@ocean.org	607-659-3429	marine mammal ecology and population biology.
Oyama	Takuji	Vancouver Aquarium	Senior Aquarium Biologist	Takuji.Oyama@ocean.org	604-659-3466	Arctic fish and invertebrate husbandry and reproduction
Peregoy	Sharon	USGS Patuxent Wildlife Research Center	Biological Science Technician-Sea Duck Colony Manager	speregoy@usgs.gov	443-458-8426	
Perisin	Kaitlyn	Lincoln Park Zoo	Research Biologist	kperisin@lpzoo.org	312-742-7682	small population biology
Petersen	Stephen	Assiniboine Park Zoo	Head, Conservation and Research	spetersen@assiniboinepark.ca	204-927-6090	population genetics, molecular ecology, behavioural ecology, animal behaviour, Arctic
Powell	David	Saint Louis Zoo	Director of Research	dpowell@stlzoo.org	314-646-4523	animal behavior, animal welfare, visitor studies, reproduction
Proctor	Darby	Florida Institute of Technology-Brevard Zoo	Assistant Professor, Psychology-Research Scientist	dproctor@fit.edu	321-674-7614	nonhuman primate behavior and cognition; zoo animal wellness

Radloff	Jenna	Vancouver Aquarium	Research Assistant	jennaradloff@hotmail.com	604-666-4296	cold water marine fish breeding research
Ramer	Jan	The Wilds	Vice President	ewiedner@thewilds.org	740-638-5030 x 2109	conservation medicine, disease ecology
Randall	Lea	Calgary Zoo	Conservation Research Population Ecologist	lear@calgaryzoo.com	403-701-7963	Captive breeding, translocation, amphibian conservation
Rank	Shelley	New Knowledge Organization Ltd	Researcher & Project Manager	srank@newknowledge.org	347-766-3399	conservation psychology, exhibit evaluation, visitor studies, live interpretation
Raverty	Stephen	Vancouver Aquarium	Research Associate	Stephen.Raverty@gov.bc.ca	604-556-3003	marine mammal health, pathology and epidemiology
Razal	Catherine	Chicago Zoological Society - Brookfield Zoo	Research Assistant- Behavioral Research	catherine.razal@czs.org	708-688-8834	animal welfare, behavior, endocrinology
Rentsch	Dennis	Lincoln Park Zoo	Serengeti Research Scientist	drentsch@lpzoo.org	312-742-3402	conservation, ecosystem management, bushmeat hunting, community-based
Rios	Maria Jazmin	Lincoln Park Zoo	Coordinator of Wildlife Management	mrrios@lpzoo.org	312-742-4146	urban wildlife ecology, wildlife management and conservation
Rodriguez-Clark	Kathryn	Smithsonian's National Zoo and Conservation	Population Ecologist	Rodriguez-ClarkKM@si.edu	202-633-4448	population ecology and genetics; conservation biology; statistical, spatial, and effects of anthropogenic and environmental stressors on the immune system and health
Romano	Tracy	Mystic Aquarium	VP of Research & Chief Scientist	tromano@mysticaquarium.org	860-572-5955 x102	
Rosen	Dave	University of British Columbia/ Vancouver	Research Associate (UBC) Research Associate (VA)	rosen@zoology.ubc.ca	604-822-8184 604-659- 3470	pinniped energetics and nutrition.
Rosenbaum	Stacy	Lincoln Park Zoo	Behavioral Endocrinology Postdoctoral Fellow	srosenbaum@lpzoo.org	312-742-2250	evolution of social behavior, behavioral plasticity, physiological correlates of social
Ross	Danielle	Columbus Zoo and Aquarium	Vice President of Education	danielle.ross@columbuszoo.org	614-724-3551	CEC liaison
Ross	Steve	Lincoln Park Zoo	Director, Lester E. Fisher Center for the Study and	sross@lpzoo.org	312-742-7263	ape behavior, welfare, cognition
Ross	Megan	Lincoln Park Zoo	Vice President of Animal Care	mross@lpzoo.org	312-742-7925	
Roth	Terri	Center for Conservation and Research of	VP Cons. Science/CREW Director	terri.roth@cincinnati.org	513-569-8220	rhinos, polar bears, amphibians, reproduction, conservation
Russel	Brandon	University of British Columbia/ Vancouver	Research Technician	brandon.russel@ocean.org	605-659-3470 604-931- 6204	pinniped energetics and nutrition.
Salfiti	James	Philadelphia Zoo	Coordinator of Audience Research	Salfiti.James@phillyzoo.org	215-243-5687	audience research, community-based social marketing, market research, environmental
Sandhaus	Estelle	Santa Barbara Zoo	Director of Conservation and Research	esandhaus@sbzoo.org	805-962-5339 x192	behavior, in situ conservation, welfare
Santymire	Rachel	Lincoln Park Zoo	Director, Davee Center for Epidemiology and	rsantymire@lpzoo.org	312-742-3520	reproductive physiology, conservation biology, ecosystem health, small population
Sattler	Renae	Alaska SeaLife Center	Research Associate	renaes@alaskasealife.org	907-224-6882	reproductive physiology, endocrinology, population and landscape genetics
Schad	Kristine	Lincoln Park Zoo	Director, AZA Population Management Center	kschad@lpzoo.org	312-742-3993	small population biology; population management of amphibians and group-living
Schipper	Jan	Phoenix Zoo	Field Conservation Research Director	jschipper@phoenixzoo.org	240-446-9515	wildlife conservation, international research, corridor ecology, carnivore ecology,
Schnellbacher	Rodney	Dickerson Park Zoo	Staff Veterinarian	rschnellbacher@springfieldmo.gov	417-833-4138	pharmacology, reproduction, analgesia/anesthesia
Schook	Mandi	Disney's Animal Kingdom	Science Operations Manager	mandi.schook@disney.com	407-938-3287	endocrinology, welfare, reproductive biology
Scott	Nancy	Dallas Zoo	Animal Behavior and Science Coordinator	nancy.scott@dallaszoo.com	469-554-7263	behavior, welfare, chemical communication, RFID
Segura	Valerie	Jacksonville Zoo and Gardens	Applied Animal Behavior Analyst	segurav@jacksonvillezoo.org	904-757-4463 x601	Animal welfare, animal wellness, behavior analysis, operant conditioning, behavioral

Senner	Paul	Lincoln Park Zoo	Associate Population Biologist	psenner@lpzoo.org	312-742-8865	population biology, avian ecology, reintroduction biology
Shepherdson	David	Oregon Zoo	Deputy Conservation Manager	david.shepherdson@oregonzoo.org	503-220-5765	in situ and ex situ conservation, behavior, welfare
Sheppard	Donna	Calgary Zoo	Community Conservation Specialist	donnas@calgaryzoo.com		community-based conservation
Shields	Lindsey	Smithsonian's National Zoo and Conservation	Global Health Program - Director of Training	ShieldsL@si.edu	202-633-6124	zoonotic disease, epidemiology, biosurveillance, and human-wildlife
Smurl	Michelle	Brevard Zoo	Director of Animal Programs	msmurl@brevardzoo.org	321-254-9453	Avian translocations
Soltis	Joseph	Disney's Animal Kingdom	Research Manager	joseph.soltis@disney.com	407-938-2860	in situ conservation, vocal communication, behavior
Sommers	Marcus	Calgary Zoo	Conservation Researcher	marcuss@calgaryzoo.com		
Songer	Melissa	Smithsonian's National Zoo and Conservation	Conservation Biologist	SongerM@si.edu	540-635-6534	Conservation Biology, Landscape Ecology, Endangered Species, Reintroduction,
Spear	Stephen	the Wilds	Director of Wildlife Ecology	sspear@thewilds.org	740-638-5030 x2301	field ecology, reintroduction, herpetology
Sra	Nicolette	Lincoln Park Zoo	Associate Population Biologist	nsra@lpzoo.org	312-742-7745	
Stabach	Jared	Smithsonian's National Zoo and Conservation	Ecologist	StabachJ@si.edu	540-635-6578	Animal movements, spatial analyses, species reintroduction
Stankiewicz	Megan	Brevard Zoo	Animal Wellness Specialist	mstankiewicz@brevardzoo.org	321-254-9453 ext. 202	animal behavior & welfare
Steele-Inama	Marley	Denver Zoo	Director of Audience Research and Evaluation	msteeleinama@denverzoo.org	720-337-1452	audience research, program evaluation, visitor studies, exhibit evaluation
Stephens	Tara	Calgary Zoo	Conservation Research Population Ecologist	taras@calgaryzoo.com	(403) 232-9303	Conservation translocations, reintroductions, population ecology
Stoinski	Tara	Zoo Atlanta	Director of Primate Research	tstoinski@zooatlanta.org	404-624-5826	behavior, cognition, socioecology, conservation
Stoops	Monica	Cincinnati Zoo / CREW	Reproductive Physiologist	monica.stoops@cincinnati-zoo.org	513-569-8224	reproduction
Sullivan	Sara	Species Conservation Toolkit Initiative	Coordinator of Training	sara.sullivan@czs.org	708-688-8675	small population biology
Swab	Rebecca	the Wilds	Director of Restoration Ecology	rswab@thewilds.org	740-638-5030 x2084	restoration ecology
Swanson	William	Cincinnati Zoo & Botanical Garden	Director, Animal Research	william.swanson@cincinnati-zoo.org	513-569-8227	felid reproduction/disease
Tate	Erin	Saint Louis Zoo	Conservation And Audience Research and Evaluation (CARE)	Tate@stlzoo.org	314-646-4956	animal behavior and human behavior (exhibit evaluation, audience research, conservation)
Tennant	Kaylin	Cleveland Metroparks Zoo	Graduate Research Associate	kst@clevelandmetroparks.com	216-661-6500 x4030	animal behavior and welfare
Terio	Karen	University of Illinois	Clinical Professor & Chief, Zoological Pathology Program	kterio@illinois.edu	312-585-9094	pathology, disease ecology, welfare science
Terrell	Kimberly	Memphis Zoo	Director of Research & Conservation	kterrell@memphiszoo.org	901-333-6720	wildlife physiology, endocrinology, and climate change impacts
Thompson	Steven	Lincoln Park Zoo	Senior Vice President of Capital and Programmatic	sthompson@lpzoo.org	312-742-7765	
Thoney	Dennis	Vancouver Aquarium	Director Animal Operations	Dennis.Thoney@ocean.org	604-659-3551	amphibian conservation & breeding research
Tlusty	Michael	New England Aquarium	Director of Research	mtlusty@neaq.org	617-973-6715	aquaculture, sustainable seafood, ornamental fish trade, stress physiology
Tobey	Jennifer	San Diego Zoo Institute for Conservation	Researcher	jtobey@sandiegozoo.org	760-291-5488	mate choice, social behavior, in situ conservation, animal welfare

Tousignant	Alan	Trevor Zoo	Director	atousignant@millbrook.org	845-677-3704	behavioral, endocrinological, herpetology, welfare
Tuomi	Pam	Alaska SeaLife Center	Senior Veterinarian	pamt@alaskasealife.org	907-229-5524	marine animal health and pathology
Vansandt	Lindsey	Center for Conservation and Research of	Theriogenologist	lindsey.vansandt@cincinnatiatizoo.org	513-569-8223	felid reproduction/disease
Vanthomme	Hadrien	Smithsonian's National Zoo and Conservation	Conservation Biologist	VanthommeH@si.edu	+51992850391	Central African and South American biodiversity, ecosystem services, landscape
Vergara	Valeria	Vancouver Aquarium	Research Associate	vergara@zoology.ubc.ca	604-220-7593	vocal learning and vocal behaviour in belugas and other cetaceans
Visscher	Nick	Denver Zoo	Audience Research & Evaluation Manager	nvisscher@denverzoo.org	517-980-6244	Audience Research, Visitor Studies, Program Evaluation
Vliet	Kent	St. Augustine Alligator Farm Zoological Park	Scientific Advisor	kvliet@ufl.edu	352-392-8130	ehavior, ecology, endocrinology, innate immune response, taxonomy &
Waller	Nigel	Vancouver Aquarium	Senior Marine Mammal Trainer, research	nigel.waller@ocean.org	605-659-3470 604-931-6204	general mammal research support.
Wark	Jason	Lincoln Park Zoo	Animal Welfare Scientist	jwark@lpzoo.org	312-742-2250	animal behavior, welfare, ZooMonitor/software
Watters	Jason	San Francisco Zoological Society	Vice President of Wellness and Animal Behavior	jasonw@sfzoo.org	415-213-8128	animal behavior, animal welfare, zoo biology
Wheaton	Cat	Disney's Animal Kingdom	Research Manager, Reproductive Endocrinology	catharine.j.wheaton@disney.com	407-938-2839	Reproductive endocrinology and behavior, contraception, animal welfare
Whiteside	Doug	Calgary Zoo	Senior Staff Veterinarian	dougw@calgaryzoo.com	T (403) 232-9390, C (403) 371-9081	Veterinary, wildlife and zoo medicine, reproductive biology
Whitham	Jessica	Chicago Zoological Society - Brookfield Zoo	Animal Welfare Biologist	jessica.whitham@czs.org	708-688-8658	animal welfare, behavior, endocrinology
Wiedner	Ellen	The Wilds	Director of Animal Health	ewiedner@thewilds.org	740-638-5030 x 2109	reproduction, conservation medicine, disease ecology
Wielebnowski	Nadja	Oregon Zoo	Conservation and Research Manager	nadja.wielebnowski@oregonzoo.org	503-972-8512	behavioral endocrinology, behavior, physiology, ecology
Wilson	Sian	Calgary Zoo	Prairie Dog Ecosystem Researcher	sianw@calgaryzoo.com	T (403) 232-9305; C (403) 819-2196	Conservation translocations, reintroductions, population ecology
Wong	Jonathan	Vancouver Aquarium	fish research assistant	jonathan.wong@ocean.org	604-659-3400	participate in Howe Sound monitoring projects
Wong	Wei Ying	Woodland Park Zoo	Vice President of Education	weiying.wong@zoo.org	(206) 548-2569	audience research, community-based social marketing, market research, environmental
