# Mobile Phone Etiquette:

You can bring a mobile phone to Disciple Now, however you must comply with our code of Mobile Phone ethics.

- Help others have incredible worship moments by making sure your phone is on silent
- Only take pictures of people you get permission from {this is for your snapchat}
- Bible Apps are for bible study times, all other apps fall short {not of the glory of god, but kinda}
- If you're using your phone as an alarm - get up to shut it off the first time {if you don't your phone may be destroyed by your friends who want it to stop}
- Under no circumstances should you show anyone anything on your mobile phone that will hurt the Holy Spirit residing in their lives
- If a call drops, it's up to the person who originally called to re-call
- Only post pictures of the student ministry staff that are flattering (Haha...but really)
- It is ok to text your parents updates and freak them out by saying "I'm praying for you." (but if you say you are praying....pray)
