

# Exalted

Music & Lyrics by David Leonard

## Verse 1

Let my faith be all I have  
And Your blood my only boast  
For the treasures of this world  
Can't compare to Your great love  
Oh what grace have I deserved?  
Grace that paid what sin had cost  
All my hope is in the cross  
All my hope is in the cross

## Chorus

We exalt You Lord  
We exalt You Lord  
Great is Your power  
Great is Your Name  
Unto the Lamb seated on high  
Honor and praise  
Glory divine  
Our Savior forever  
And ever amen

## Verse 2

Though the powers of this world  
From all sides may overwhelm  
Surely Christ will be our Rock  
And His Kingdom will prevail  
He is faithful in the trial  
And He's working in our pain  
To our God the highest praise  
To our God the highest praise

## Bridge

When the earth gives way  
And the oceans roar  
When the mountains quake  
Still Your love endures  
We will not be moved  
For our Rock is strong  
You have conquered all  
You have overcome
