

Mentoring Covenant

1. We will make a 3 month commitment to the relationship.
2. We will commit to meeting a minimum of 2 times per month and contact each other once a week.
3. We will pray for each other, seeking the Lord's guidance in strengthening our fellowship with Him and with one another.
4. We will spend time together, like working on spiritual disciplines, learning a new skill, going out for coffee or meal, exercising together, watching a child at practice, spending time in each other's homes, serving together in ministry.
5. We will take this relationship seriously and make it a priority in our schedules.
6. We will keep our sharing confidential unless we specifically state that sharing with another is acceptable.
7. We will discuss only ourselves and our personal journeys.
