

Mighty Fortress

Music & Lyrics by Ricky Kennedy & David Leonard

Verse 1

When the waters rise
And when the oceans roar
We will not be afraid
We will not be afraid
For You are here with us
Always on our side
Fighting for us, You're fighting for us

Pre-Chorus

(So) Who could be against us?
So who could be against us?

Chorus 1

Our God, a Mighty Fortress
Our Shield and - Salvation
Our King, You reign victorious
We lift You higher, We lift You higher

Verse 2

In Your presence Lord
We are made complete
And we have all we need
Yeah we have all we need
So let Your Kingdom come
And let Your will be done
Lord, we surrender, Oh we surrender

Chorus 2

Our God, a Mighty Warrior
Our Rock and - Redeemer
Your praise goes on forevermore
We lift You higher
We lift You higher
