

One Name

Music & Lyrics by Mike Haight, David Leonard, Lauren Luckey

Verse 1

Every darkened life
See the Lord of Light
Drawing near, drawing near
Christ the Holy One
Heaven's Only Son
A Hope for all the earth has come

Chorus

One name is lifted higher
One name is strong to save
One name commands all power
And with authority reigns
One name deserves all honor
One name compels our praise
Jesus, Jesus
Let the earth declare the name
Jesus, Jesus

Verse 2

Humbled to a cross
Love was bruised and crushed
The Faithful One, the Faithful One
Raised from death to life
Jesus exalted high
Forever our God be glorified

Bridge

Your name alone, lifted higher, higher
Lord over all, you are worthy of all our praise
Forevermore crowned with glory and honor
Faithful and true, Lord Your kingdom forever reigns
