

Our King Has Come

Music & Lyrics by Mike Haight & David Leonard

Verse 1

Our King has come
Sent from Heaven's throne
To save the souls of men
His precious blood
For our sins atoned
That we might live again

Chorus

Our God is here
The One who saves
Lift up your heads
Your voices raise
Your King is here
The One who reigns
Coming in power
Breaking our chains
Let the King of glory in

Verse 2

Our King has come
By His spirit sealed
Though frail we stray again
The Father's love
Reaching further still
Proves greater than our sin

Bridge

All glory, all power
Honor and praise forever
For His name is higher
And higher and higher

Verse 3

Our King shall come
On that glorious day
Unveiled His face we'll see
The Church will rise and the earth proclaim
That Jesus Christ is King
