Welcome!

Imagine what would happen if ALL metro area students gathered TOGETHER for a weekend of amazing worship, powerful discipleship, and hands on mission opportunities.

Mind-blowing possibilities, right? That's exactly how we felt when we started talking about it. And that's exactly what we want to have. A MIND-BLOWING weekend where students walk away ON FIRE for the Lord they serve, ready to follow Him wherever He leads. Ready to hold each other accountable because they've all had the same experience. And ready to be bold as they follow God's calling to make disciples.

We are SO EXCITED to partner TOGETHER for this joint DNOW weekend. We want you to have a great time, but we also want you to grow in God's Word and in your walk with Him. If you have any questions at all this weekend, be sure to ASK someone for answers. It can be your small group leader, your youth leader, or even a friend. Just don't be afraid to ask!

Use this journal all weekend long, then be sure to save it somewhere so you can grab it and remember the highlights of this weekend.

We know this weekend is different than anything we've ever done, but different is GOOD, and YOU can make different GREAT! Get your hearts and your minds ready to hear from God and ready to respond.

We love you guys and we can't wait to see what God's going to do with you and through you, not just this weekend, but in all the days ahead of you!

- What does it mean to present our bodies to God?
