

Here are the immunization documentation requirements that all students on campus must meet!

- There must be proof of **TWO (2) MMR vaccines (measles, mumps, and rubella)**. This is required by the state of Arkansas.
- IF YOU ARE A **RESIDENT OF ARKANSAS**, your immunization records CAN come from another school or campus.
- IF YOU ARE AN **OUT OF STATE** STUDENT, your immunizations must come from either a physician's office or a state health organization. They CANNOT come from any high school OR college outside of the state of Arkansas.
- EVERYONE'S records MUST have a header clearly identifying the organization from which it originates (where you received your immunizations).
- **Students whose countries of birth fall in a TB endemic country** will be REQUIRED to have a TB Skin Test on file. These students must have record of a negative test within 6 months of arriving in the United States and administered within the state of Arkansas, or they may receive this TB Skin Test here on campus through my office.
- Although NOT REQUIRED, it is HIGHLY recommended that you also receive a meningitis vaccine as well!

Your records can be *faxed* directly to my office at 870-307-7565, or *mailed* to me at Health and Wellness Office, Lyon College, 2300 Highland Road, Batesville, AR, 72501. If you have any questions, please do not hesitate to call me at 870-307-7425!!
