

CDL Talent Council Meeting Minutes

Thursday, May 3, 2018

Attendees:

Anita Brackin	Anita Victory
John Hodge	Wayne Elliott
Ernest Strickland	Willis O. Neely
Woody Roderick	John Churchill

Wayne Elliott started the meeting with introductions and expressed the importance of developing 2018 goals for the council.

John Churchill lead a discussion on TDOE's Pathways Tennessee:

One of the goals: Every student has a career pathway by the time they enter 9th grade.

We want every child on a pathway of their choice, starting from Elementary and Middle school. Important things—There needs to be good transition from High school to secondary school and postsecondary. Transportation was a topic speaking about CDL training.

Vision: A skilled workforce that meets the needs of employers in West Tennessee

Mission: In collaboration with industry, school districts, and colleges, students excels in Career Pathways

Will address the high pay/high demand jobs: Transportation, Medical, IT, and Advance Manufacturing.

Where we can match up people to the job interest they desire. What do we do with the eighteen to twenty-one years old, who wants to because a driver?

Can everyone bring two people from different company to the next meeting. Emails will go out to get more business to come to the meeting, it will include a two years Meeting plan, Minutes and Agenda.

Communicate with the WIN Center to set up information about CDL training classes with other companies.
