#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors Washington Humane Society Washington, DC

We have audited the accompanying financial statements of the Washington Humane Society, which comprise the statements of financial position as of September 30, 2013 and 2012, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Washington Humane Society as of September 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

# **Organization**

The Washington Humane Society (WHS) is a not-for-profit organization founded in 1870 to provide and promote animal welfare in the District of Columbia. Since 1980, WHS has also operated the District's Animal Control program under a contract with the City. As the largest animal protection agency in the District, WHS shelters stray, mistreated, and abandoned animals, reunites people with lost companion animals, places animals in responsible homes, rescues sick and injured domestic and wild animals, offers affordable spay and neuter procedures as well as weekly low-cost vaccination clinics for cats and dogs, and transports wild animals to licensed rehabilitators.

# **Basis of Accounting**

WHS prepares its financial statements on the accrual basis of accounting. Consequently, revenue is recognized when earned and expenses when the obligations are incurred.

# **Income Tax Status**

WHS is exempt from the payment of Federal and District of Columbia income taxes on its exempt activities under Section 501(c)(3) of the Internal Revenue Code. WHS is required to pay Federal and state taxes on net income generated from unrelated business activities. There was no unrelated business income for the years ended September 30, 2013 and 2012.

The Organization adopted the income tax standard for uncertain tax positions on October 1, 2009. The Organization evaluated its tax positions and determined that its positions are more-likely-than-not to be sustained on examination. The Organization's tax returns are subject to review and examination by Federal, state, and local authorities. The tax returns for the fiscal years ended 2010 through 2012 are open to examination by Federal, state, and local authorities.

#### **Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

# Cash and Cash Equivalents

For financial statement purposes, WHS considers all money market accounts and highly liquid investments with a maturity of three months or less from date of purchase, not included in the investment accounts, to be cash equivalents.

# **Accounts Receivable**

Accounts receivable are recorded at their net realizable value. Accounts 90 days past due are analyzed for collectibility and when all collection efforts have been exhausted, the account is written off against bad debt expense. Management has established an allowance for doubtful accounts to cover estimated uncollectible amounts at year-end.

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

# **Inventory**

Inventory consists of pharmaceuticals and other supplies for resale and is stated at the lower of cost or market using the first-in, first-out method.

# **Fixed Assets**

Fixed assets purchased are stated at cost. Donated fixed assets are recorded at the estimated fair market value on the date of donation. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets which range from 3 to 25 years. All purchases greater than or equal to \$1,000 are capitalized.

# Fair Values

# Fair Value Hierarchy

WHS has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Financial assets and liabilities recorded on the statements of financial position are categorized based on the inputs to the valuation techniques as follows:

#### Level 1

Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that WHS has the ability to access.

# Level 2

Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include among others, quoted prices for similar assets or liabilities in active markets or non-active markets.

#### Level 3

Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability.

# **Contributed Services**

WHS recognizes pro-bono legal and courier services as contribution revenue, professional services, and postage and delivery expense in the period received. No amounts have been recorded in the financial statements to reflect contributed services performed by WHS volunteers. These hours do not meet the requirements for reporting under accounting standards. Contributions of services shall be recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills and are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Services requiring specialized skills are provided by accountants, architects, carpenters, doctors, electricians, lawyers, nurses, plumbers, teachers and other professionals and craftsmen. Contribution services and promises to give services that do not meet the above criteria shall not be recognized. Contributed services in the amounts of \$470,716 and \$345,485 were recorded for the years ended September 30, 2013 and 2012, respectively, and are included in Contributions and Grants revenue and Program Services expense on the Statements of Activities.

# **Revenue Recognition**

Contributions and grants are recognized as revenue when received or when the donor makes a promise to give to WHS that is, in substance, unconditional. Contributions and grants that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets. When a temporary restriction expires or is otherwise fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets. Restrictions that are met in the same reporting period are reflected as unrestricted support in the accompanying statement of activities. Contract revenue is recognized based on an agreed upon daily rate and reimbursed expenses as incurred. Clinic and shelter fees are recognized when services are provided.

#### **Net Assets**

Net assets are reported as unrestricted, temporarily restricted or permanently restricted based upon donor stipulations. Net assets consist of the following:

#### Unrestricted:

General unrestricted - Funds available for general operations of WHS.

Designated for long-term investment - Funds designated by action of the WHS Board to be used for long-term investment purposes.

# Temporarily Restricted:

Building fund - Established in 1988 to provide funds for a new facility.

Others - Consists of various funds restricted, either through the passage of time or purpose, by donors.

#### Permanently Restricted:

Represents bequests from donors to be held in perpetuity. The annual investment income from these funds is used for the care of animals.

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

# **Allocation of Expenses**

WHS allocates salaries, benefits and indirect expenses to the various programs and supporting activities based upon estimated time worked on each activity.

# **Uniform Prudent Management of Institutional Funds Act**

During 2009, the Uniform Prudent Management of Institutional Funds Act (UPMIFA) became effective which provides guidance on the classification of endowment fund net assets for states that have enacted versions of the Uniform Prudent Management of Institutional Funds Act, and enhances disclosures for endowment funds. Under UPMIFA all unappropriated endowment fund assets are considered restricted, except for the unrestricted board designated endowment.

# Reclassification

Certain amounts in the prior year financial statements have been reclassified to conform with the presentation in the current year financial statements. Such reclassifications have no effect on previously reported changes in net assets.

# **Subsequent Events**

In preparing these financial statements, WHS has evaluated events and transactions for potential recognition or disclosure through July 22, 2014, the date the financial statements were available for issue.

#### NOTE 2 PLEDGES RECEIVABLE

Pledges receivable are recorded at the gross amount of the pledge, and are discounted to present value. Management believes all pledge receivables are fully collectible and are due as follows at September 30, 2013 and 2012:

|   | <br>2013               |    | 2012        |

WHS invests in a variety of investments. In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the investment balances and the amounts reported in the statements of financial position.

Investment income is comprised of the following for the years ended September 30:

|                                | 2013 |         |    | 2012    |

#### NOTE 4 ANIMAL CONTROL CONTRACT

Since 1980 the WHS has provided animal control services under a contract with the District of Columbia (the District) to operate the District Animal Control (DCAC) facility. The most recent contract, effective August 1, 2012, covers a 36-month period with an optional extension for two years. The contract includes a fixed price daily rate and cost reimbursable components for each year of the contract.

The District contract accounted for 36% of WHS's total revenue for the years ended September 30, 2013 and 2012.

# NOTE 5 CHARITABLE TRUSTS

WHS was named as one of two beneficiaries in a perpetual trust (Emory Trust) held by a third party that was created in 1934. The Organization's share of the trust's fair market value (\$67,311 and \$65,962 as of September 30, 2013 and 2012, respectively) has been recorded as permanently restricted investments on the statements of financial position.

#### NOTE 6 RESTRICTED NET ASSETS

WHS records donor-restricted contributions as temporarily restricted net assets. WHS releases these temporarily restricted net assets as it incurs direct expenses related to the restrictions. Temporarily restricted net assets consisted of the following as of September 30:

|                                     | 2013        | 2012       |

# NOTE 6 RESTRICTED NET ASSETS (CONTINUED)

Permanently restricted consists of fund bequests from separate donors. The assets are to be held in perpetuity and the net earnings used for general operations.

#### NOTE 7 LINE OF CREDIT

WHS has available a \$250,000 revolving line of credit with a financial institution. Interest payments are due monthly and calculated as 1% over the prime rate. The interest rate at September 30, 2013 is 4.75%. The final principal and interest payment on the revolving line of credit is due on demand. The outstanding balance at September 30, 2013 and September 30, 2012 was \$250,000 and \$0, respectively. This note is collateralized by the inventory, chattel paper, accounts receivable, equipment and general intangibles of the Organization.

#### NOTE 8 NOTES PAYABLE

In September 2008, WHS purchased a vehicle with dealer financing at zero percent interest for the total cost of \$24,172, including a \$750 down payment. WHS makes monthly payments of \$390. The balance of the loan at September 30, 2013 and 2012 was \$390 and \$5,075, respectively.

In 2012, WHS purchased a vehicle with dealer financing at 0.9% interest for the total cost of \$31,607, including a \$890 down payment. WHS makes monthly payments of \$878. The balance of the loan at September 30, 2013 and 2012 was \$12,278 and \$22,815, respectively.

In 2013, WHS purchased three vehicles with dealer financing at interest rates ranging from 3.34% to 5%. The total cost of these vehicles is \$102,112, including \$6,500 of down payments. WHS makes monthly payments of \$1,702 on these notes. The balance of the loans at September 30, 2013 was \$91,052.

Future payments are as follows:

#### NOTE 9 CAPITAL LEASE OBLIGATION

WHS entered into leases for three copiers, which are classified as capital leases. The fair market value of the copiers (\$41,117) is included in property and equipment and is being depreciated over the estimated useful life of five years. Accumulated depreciation and depreciation expense are \$23,531 and \$5,994 for 2013, respectively.

In 2012, WHS made deposits of \$40,559 for two vehicles and entered into two capital leases for the remaining cost of \$12,888. The fair market value of the vehicles is \$53,447 and is being depreciated over the estimated useful life of five years. Accumulated depreciation and depreciation expense are \$16,634 and \$11,090 for 2013, respectively.

Future minimum lease payments for the years ending September 30 are as follows:

| Year Ending September 30, |              |

| \$            |

#### NOTE 11 RETIREMENT PLAN

Effective January 1, 2006, WHS established a defined contribution 401(k) pension plan covering substantially all employees. Effective March 2009, an employee becomes eligible to participate in the pension plan after three months of service, and WHS matches up to 1% of the employee's deferrals. Benefits related to employer contributions begin vesting after the first year of service and become fully vested at five years. Pension expense for the years ended September 30, 2013 and 2012 was \$13,088 and \$12,408, respectively.

#### NOTE 12 ENDOWMENT

WHS has a donor-restricted endowment fund established for the purposes of providing income to support specific donor-restricted activities. As required by GAAP, net assets of the endowment fund are classified and reported based on the existence or absence of donor-imposed restrictions.

The board of directors of WHS has interpreted the State's Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, WHS classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by WHS in a manner consistent with the standard of prudence prescribed by UPMIFA. WHS considered all amounts earned on the endowment fund to be appropriated for current use.

WHS's endowment investment policy is focused on preservation of capital and amounts are invested in equities, U.S. and corporate bonds, and mutual funds, annuity contracts, and cash.
