Bible verses

- Primary Passage Luke 1:67-79
- 1 Corinthians 8: 5-6
- Daniel 3:4-7
- Mark 15:6-15

Summary of the Lesson: In this lesson we continued to learn about the persecution of God's people. Under the Roman rule God's people were still faced with the choice of God's law or the law of the land. We further discussed how Jesus wasn't who the people expected when God mentioned a savior but he like everyone else God uses, was exactly what God had promised.

Questions to discuss with your kids:

- Do you often find yourself putting other things before God? How can we keep our focus on God?
- How can you see God's love in your daily life?
- Is it easy to follow God's laws in today's world? How does society or your friends try to get you to stray from God's ways?
