Who are we?

We are three generations of men coming together for breakfast, fellowship, prayer and learning.

We asked the guys why they get out of bed for a 7:00 AM gathering every Thursday. Here are some of the answers we got:

- *"It's where I practice being Christian...breaking bread, praying together, loving one another"*
- *"It's where I go to better understand scripture with outstanding speakers making presentations on history, philosophy, theology and biblical studies"*
- *"It's my time away from the hustle bustle of work, and just the busyness of life"*
- *"It's where I go for fellowship which is different from Sunday worship-it's small group fellowship"*
- *"Dr. Modica makes the distinction between practice vs. participation — Small group is participation. It's the blocking and tackling of Christian fellowship"*
- *"This is a big church so a small group setting is where we get to know one another, support one another, and to learn to pray for and with one another"*
- *"It's my mid-week spiritual booster shot"*
- *"I regard this hour each week as 'my time'"*
- *"It's where I go to get a hot breakfast"*
- *"It's our time to think, reflect, discuss, learn and pray as we seek a bit of timeless wisdom and guidance in a fast paced and rapidly changing world"*

What is Thursday Morning Men's Fellowship?

- Prayer, Fellowship and discussion
- Outstanding Speakers
- Variety of topics
- Hot Breakfast

Thursday Morning Men's Fellowship is an informal group breakfast meeting that comes together at 7 am each Thursday in the Fireside Room on the first floor across from the Library . While most of the faces have changed, the group has been meeting for almost 30 years.

The morning begins with a hot breakfast, fellowship, prayer and banter, followed by a 30 minute presentation from a roster of outstanding speakers. We typically wrap up at 8 am.

Are you looking for a small group? Fellowship? Prayer? A mid-week booster shot? Are you looking to dip your toe into the world of bible study, philosophy, theology and a host of related topics? This might be just what you are looking for! The line up of guest speakers will start your day with an intriguing presentation, fellowship, prayer and discussion. Join us for a morning or two or the entire series! You'll be glad you did!
