

WINTER/SPRING 2019 **INSPIRED BY RACHEL HELD EVANS**

Starting January 9, Biweekly @ 9:30.

If the Bible isn't a science text, an instructional manual or a positional paper what is it? New York Times bestselling author Rachel Held Evans invites readers on a journey of rediscovery as she explores the magic of the Bible. She creatively retells favorite Bible Stories explaining both content and possible interpretation and then connects these ancient narratives

to present day. Using her well honed literary instincts as well as experiences in Evangelical and Mainline Protestant traditions, Rachel discovers a way of understanding that both avoids noncommittal liberalism and strident literalism.

Members of this class are invited to fall in love with Scripture all over again without checking their intellect – or their imagination at the door. Copies of **INSPIRED** are available in the Church Office!
