

## **Gifts of a Life Insurance Policy**

*72% of all murder-suicides involve an intimate partner; 94% of the victims of these murder suicides are female.*

Gifts of a life insurance policy to NCADV is easy and may utilize an asset that you and your family may no longer need. The donor can receive an income tax deduction equal to the cash surrender value of the policy. It is as easy as transferring ownership of a paid-up life insurance policy to NCADV – or purchasing a new policy and designating NCADV as your beneficiary. The life insurance policy will be cashed now or in the future to support the mission of NCADV.

If you would like to speak to someone directly about leaving a gift of a life insurance policy to the National Coalition Against Domestic Violence please contact Dina Coates Koebler at 303-839-1852 #108 or email [dcoates@ncadv.org](mailto:dcoates@ncadv.org). Thank you!
