

Stock Transfer Form

To make a gift of stock to NCADV, please complete and print this form, including specific information that may be required by your broker, sign it and deliver it to your broker through a secure method.

NCADV requests that you share basic information about your intentions with us, so we can lend any assistance and credit your gift when it arrives.

For security reasons, we do not ask for your account number over the Internet. Make sure you contact your broker to initiate the actual transfer.

Bolded items with an asterisk (*) are required fields.
