

National Coalition Against Domestic Violence

Strategic Plan 2019-2021

VISION STATEMENT

We envision a national culture in which all persons are safe, empowered, and free from domestic violence.

MISSION STATEMENT

Our mission is to lead, mobilize and raise our voices to support efforts that demand a change of conditions that lead to domestic violence such as patriarchy privilege, racism, sexism, and classism. We are dedicated to supporting survivors and holding offenders accountable and supporting advocates.

STRATEGIC PRIORITIES

1. Expand the work of NCADV, by reorganizing and restructuring our Board of Directors and staff to be more diverse, inclusive and reflective of those domestic violence victims and survivors we serve.
2. Ensure funding and resources support our focus on national policy, projects and programs to the benefit of domestic violence victims and survivors.
3. Raise awareness and provide education about the causes and impacts of and solutions to ending domestic violence.
4. To mobilize leaders and to support legislation that empowers victims and survivors, holds abusers accountable and supports advocates.
