

Student Environmental Conference Release Form

I, the undersigned, allow my son/daughter to participate in both land and water field trips in conjunction with the Student Environmental Conference to be held at the National Mississippi River Museum & Aquarium on September 26-27, 2019.

I know the risks and dangers involved in such activities, and that unanticipated and unexpected dangers may arise during such activities. All of the trips on land and water will be accompanied by school and professional agency staff and chaperones, and that all required safety equipment will be provided.

In consideration of the permission granted to me to participate in the Student Environmental Conference, I hereby, for my child, myself, my heirs, administrators and assigns, release and discharge the National Mississippi River Museum & Aquarium, and any agency helping provide educational programs through Coastal America and their respective servants, agents and officers, and all other participants in this conference, from all claims, demands, actions and causes of action of any sort, for injury sustained.

I certify that my son's/daughter's attendance and participation in the Student Environmental Conference is voluntary.
