

**Language Assistance Services
for Guided Capitol Tours & State Museum Programs**

The State Museum is committed to providing programs for the educational and cultural enrichment of all our visitors and program participants. We respectfully request that individuals or groups who wish to request language assistance because of a limited ability to speak or understand English please contact the museum at least five (5) business days prior to the date of the requested museum program or service. There are times that it is difficult to satisfy an immediate demand for quality interpreters or translation specialists in a specific language. Advanced planning allows TSM staff to provide meaningful access to the State Museum's programs and resources for all of its visitors. Language assistance accommodations are provided at no cost to the individual or group making the request.

To make arrangements for language assistance, please call as appropriate:
