Zoo Camp Activities

Daily Activities:

At least once a week:

Interactive fountain, carousel rides, and zoo keeping. Each week's activities will be based on the theme of the week.

How do I register?

Registration forms are available on our website www.palmbeachzoo.org or by e-mail at education@palmbeachzoo.org. Payment is due in full at the time of registration. Registrations cannot be taken over the phone or on the first day of the camp week. Incomplete registrations will not be accepted and will not reserve a camper's spot.

How will I know I am registered?

You will receive an e-mail confirmation within 5-7 business days after submitting your completed registration forms. You will be contacted by phone only if your registration is incomplete or your requested camp is full.

Do you offer a sibling discount?

Yes! The first child's registration is full price. Additional siblings receive 10% off their weekly camp fee. Children must be siblings living in the same household. If children are participating in different camp programs (for example, you have one child in camp for 5-10 year olds, and an older child in Junior Zookeepers Camp), the discount applies to the lower-priced camp fee.

What to Wear & Pack

Campers must wear closed-toed shoes (no sandals or "croc"-type shoes), clothes that can get dirty, and a camp T-shirt each day. Each camper will receive one free T-shirt for each registered camp week; any additional T-shirts may be purchased for an additional fee. Make sure to pack water gear (water shoes, towels, and swim wear). Remember in South Florida it's hot outside! Sunscreen should be applied at home before coming to camp, and hats and water bottles are recommended. **Please do NOT bring cell phones or electronic games**, as these items are easily lost and can interfere with camp activities.

Supervision and Grouping

Group size and ratio:

There will be 10-12 campers to each paid adult staff member. In addition to our paid staff, we will have many teen volunteers to support our staff. We do background checks on all camp staff and volunteers.

Age division:

Each group will be comprised of campers that are no more than 2 years apart in age. Groups may be together for some activities.

Special requests:

We will attempt to accommodate special grouping requests that are made in advance on your registration form. Grouping requests made at camp sign-in cannot be accommodated. Siblings are usually placed in different groups, unless you request otherwise.

What about lunch?

Campers may bring their own bag lunch in a cooler bag (we do not have refrigerated storage available), or pre-order a bag lunch for an additional fee. Bag lunches consist of your choice of: hotdog, grilled cheese, hamburger, cheeseburger, turkey sandwich or chicken nuggets. Lunches come with animal crackers and a drink. **Lunches may be ordered by the week ONLY.**

What about snacks and water?

The zoo will provide a morning snack. Campers are encouraged to bring a reusable water bottle; there are water coolers available throughout the day for refills. If campers have food allergies, please let us know in advance. Please be specific about what the camper is allergic to, the severity of the allergy, and whether it is triggered by touching or ingesting the food. We suggest that you pack your own snacks. **The Zoo cannot guarantee that your child will not be exposed to peanuts, peanut butter, or other nuts.**

How do I know what camps are full?

An updated list of closed camp weeks will be available on our website www.palmbeachzoo.org or by e-mail at education@palmbeachzoo.org.
